ROOSEVELT WINS HOOP TILTS WITH JACKSON SCHOOL

Roosevelt grade school hoop team won two games from Jackson grade school the past week in the city grade school league. Of the teams in the league are Washington and Lincoln.

In the first game Dick Wallace scored for Roosevelt and Jackson also hit the hoop in the initial period which ended 2-2. After both teams playing hard ball, Don Denman scored for Roosevelt to put his team ahead, 4 to 2, at the half.

Jackson narrowed the gap to 6-6 at the end of the third period and took the lead early in the fourth quarter, 7 to 6, but Chuck Ashpole potted a field goal to win the game for Roosevelt, 9 to 7.

In the second contest Justin Smith of Roosevelt made the only basket in the initial period for a 2-0 Roosevelt lead. Jim Grey added a field goal in the second stanza while Jackson sank a free throw with the quarter ending, 4 to 1, Roosevelt. In the third period Smith and Gerald Thompson each hit field

goals to move the lead to 8 to 1 for Roosevelt. Jackson came close in the final quarter when they sank two field goals and a free throw but the game found Roosevelt still ahead, 8 to 6.

M'SPADEN SHOWS RARE GOLF FORM IN TUCSON PLAY

Tucson, Ariz., Jan. 20.—(U.P.)—Harold (Jug) McSpaden of Sanford, Me., proved today he was back in top golf form as he shot his second consecutive three-under-par round of 67 to take the lead at the halfway mark in the \$5,000 Tucson open golf tournament at the El Rio Country club with a 134.

With a high, brisk and chilly wind sweeping the fairways, par came closer to holding its own in the second round with only seven golfers bettering regulation figures.

Joe Zarhardt, Norristown, Pa., the first-round leader, slipped to a par 70 to tie for second place, one stroke behind McSpaden, with Bruce Coltart, the burly belter from Atlantic City, N. J., who added a 69 to his 65, and Byron Nelson, last year's leading money winner, who shot a 68, one stroke above his first round.

One stroke farther behind were Jimmy Gauntt, a surprise package from Ardmore, Okla., who shot even par today for a 136 total, tying with Slammin' Sammy Sneed, the White Sulphur Springs, W. V., pro, who added a 69 to yesterday's 67. Sneed suffered a mild blow-up on the 18th green, when he three-putted for a bogey six, missing a chance for a possible tie for the lead or at least second place.

Washington, Jan. 20.—(U.P.)—War Manpower Commissioner Paul V. McNutt reported today that 3,000 men have been freed for war work by the "immediate response" of horse owners and breeders to his request that older men replace employees under 46 years of age.

ASHLAND SCORES 40-34 WIN OVER CAVEMEN QUINT

Ashland high's Grizzlies took definite command of second place in the southern Oregon basketball conference when they chalked up a 40 to 34 win over Grants Pass Cavemen at Grants Pass Friday night. Although the game was not as rough as anticipated, 25 fouls were called, 14 on Ashland and 11 on Grants Pass.

Dommie Provost scored the first basket for Ashland which was quickly followed by three points by the Cavemen, the only time in the game that they were in the lead. The first quarter ended 11 to 7, halftime score was 21 to 15 and the third period ended 32 to 23, all in favor of Ashland.

Ashland was leading 40 to 28 with 1 1/2 minutes to play when Grants Pass rang up three baskets in rapid succession but failed to catch up with the inspired Grizzlies. Ashland dominated backboard play despite superior height of the Cavemen.

JOHNSON, PILUSO SEEK MASK BOUT

Gloomy Gust Johnson and Ernie Piluso have notified Promoter Mack Lillard that they prefer to meet the Gray Mask, hooded head butler from Holly wood, in the main event of the Medford armory wrestling card next Thursday night. Piluso telephoned Lillard from Portland that he would come here next Thursday if he could be given the match but would not be interested in making the trip to meet another opponent.

Johnson, in asking for the match, pointed out that he held Pete Belcastro to a draw two weeks ago and defeated Jack Kiser last week. Belcastro and the Mask went to a draw on last week's card.

Lillard said today he was uncertain who he would match with the Mask but said he would put in the best possible opponent. The promoter called attention to the fact that his contract with the Mask calls for him to unmask only if he is pinned for two out of three falls and not if he loses a match by disqualification by a referee.

ARMY REJECTION OF PRO ATHLETES NOW TIGHTENED

Washington, Jan. 20.—(U.P.)—The war department announced today that professional athletes no longer will be rejected for service in the army on the ground of physical disability until all facts have been reviewed by the department.

The order, in effect, took away from army induction stations the right to reject a professional athlete for service on physical grounds, transferring final decision to the war department.

It was the first time such a review had been ordered for a specific group of prospective inductees, although any proposed discharge of an entertainer or professional athlete from the army must get war department review.

CHAMP COCHRANE OUT OF NAVY TO FACE TOUGH ROW

Chicago, Jan. 20.—(U.P.)—Fredie (Red) Cochrane, world's welterweight boxing champion, recently discharged from the navy, will run into a fist full of trouble when he returns to his civilian occupation.

During the sailor boy's absence, the welterweight division has become the toughest in the business with a raft of good punchers ready to knock Cochrane off of his throne. Slowed down by navy service and never really a great champion, Red has a lot of fitness, speed and power to regain before he'll be ready to take on the field.

Foremost among the challengers is the sweet boy himself, Ray (Sugar) Robinson, who has been creating mayhem since he was honorably discharged from the army. The New York negro has won six straight since he was mustered out and 51 victories in 52 pro scraps.

Robinson's latest masterpiece was a 10-round decision over Tommy Bell of Youngstown, O., ending the Ohio belter's victory string at 26.

But before the lithe, fast-punching New Yorker can knock on Cochrane's door, he has a date in Chicago with George (Sugar) Costner, who veteran midwest boxing observers believe is heading non-stop toward the title.

The 21-year-old Cincinnati slugger is lightning fast, throws knockout punches with either hand and has a touch of the "killer instinct." Costner, who claims Robinson as his ring idol, all but disabled Dick (Shiek) Rangel here last night in scoring his 22nd straight knockout and his 23rd straight victory with a right hand smash in 1:22 of the first round. Rangel's chief claim to fame is a victory over Fritz Zivic.

The winner of the February 9 bout here between the two sugar boys probably will get the first shot at the champ.

GIL DODDS WINS OVER WEAK FIELD

Boston, Jan. 20.—(U.P.)—Gil Dodds romped to an easy two-mile victory at the 29th annual Boston Y. M. C. A. meet today, then hung up the fabulous spikes that carried him through one of the greatest campaigns in track history.

The plank-pounding person, who leaves tomorrow for a preaching engagement on the Pacific coast, displayed only momentary flashes of the brilliance that made him America's No. 1 miler, but he had enough to outlast a war-trimmed handicap field of nine school boys. His time, 9:58.4, was 15 seconds slower than the "Y" track record set a year ago.
