This Is the Year I'm Getting a Really GOOD SUIT!

A
MICHAELS-STERN
TIFFANY WORSTED

No flash in the pan clothing that can't stand the gaff for me! Experience taught me my lesson! I know that Michaels-Stern's quality of rich wools—extra hand-needled Rochester-tailoring—extra attention to distinctive styling—means extra wear—extra satisfaction and extra value to me—It makes good sense—doesn't it? And for so few extra cents too!
