Would You Like An Extra Steak Dinner This Month?

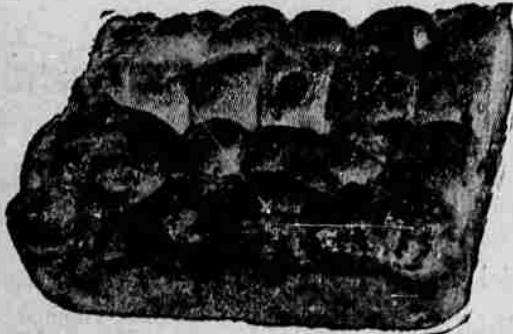

YOU may have it and at the same time add to the family's eating pleasure.

The heaviest use of butter is with breakfast. You can save all of this butter by serving Home Purity Sweet Rolls several breakfasts a week.

Made of fine, rich sweet dough and topped with flavorful sugar icing—they are deliciously nourishing—rich in Vitamin B—a lasting breakfast for a lower than usual breakfast cost—and there you have the red points for that extra steak dinner.

Try some tomorrow. They are so good you won't miss the butter.
