

ROGERS REPORTS ON YEAR'S WORK TO CITY FATHERS

City Superintendent Has Many Projects and Duties in 1944.

The annual 1944 report of the city superintendent was submitted to the mayor and city council at its regular meeting Tuesday night by Frank H. Rogers. Included in the report were all activities under jurisdiction of the department and a few non-organizational.

A large number of public works projects were handled including laying and resurfacing of streets, laying drains and culvert tile, building new sewers and streets in addition to airport improvements, issuing of building permits and operation of parks. Rogers indicated in his report. The office also prepared the budget for 1944-45 fiscal year. This activity was listed as a non-organizational function.

Approximately 4,000 yards of buckshot were lead on city streets. A new storm drain extension was built to abate an open drain under the Crystal Springs Packing company.

Rogers said 640 feet of dyke was built on Bear Creek at the garbage disposal grounds which provides more area for garbage disposal and will ultimately result in reclaiming of much property along the creek.

A new scoop made in the city shops to fit the city's Fordson tractor was used for collecting leaves, replacing the street sweeper in operation in years past.

Third street was improved by installing curbs and gutters and laying of pavement. Four new sewers were installed and four others constructed under supervision of the superintendent's office by the Beaver Construction company. New flame traps of latest design were installed at the sewage disposal plant, which have proved beneficial in operation of the plant, Rogers reported.

Medford airport, under lease to the army, required no maintenance by the city during the past year, but the superintendent's office designed and supervised a paving and drainage project around the United Air Lines building at the latter's request.

Building permits issued for the year involved \$161,473 worth of construction, the biggest projects including the new packing plant of the American Fruit Growers, Inc., and Beaver Construction company's new apartment house on Ivy street. Other permits were largely for smaller projects or maintenance work, according to the report.

Improvements to the city hall included installation of a new hot water tank, painting of corridors, building of a new roof and a map file system, Rogers told in the summary.

Summer camp was set up for Girl Scouts in Bear Creek park in addition to maintenance of all local parks. The children's playground on East Main had an attendance of 6,273 children from June 5 to September 15, indicating a growing importance to the community of this project, Rogers concluded.

William Short Of Lake Creek Given Bronze Star Award

With the 5th Army, Italy—Sgt. William E. Short, 19, Lake Creek, Ore., recently was awarded the bronze star for heroic achievement in action.

Serving on the 5th army front in Italy, he is a squad leader in the 362nd infantry regiment of the 91st "Powder River" division.

An acetylene burner in civilian life, he entered service in August, 1943. His mother, Mrs. Anna C. Short, lives at 833 Northeast Fifth avenue, Camas, Wash.

Over 90 per cent of all bituminous coal is mined by machines, and nearly 50 per cent of it is mechanically loaded.

MILNES ELECTED AS PRESIDENT OF JUNIOR CHAMBER

Junior Chamber of Commerce elected new officers at its regular meeting Tuesday evening. Paul Selby resigned as president of the club, because his work would not permit him to carry on his duties connected with the office.

Ray Ish tendered his resignation as secretary because he is leaving Medford to enter the clothing business in Los Angeles. Wayne Jamison, member of the board of directors, resigned, his reason being that he is being transferred to Eugene. All other members of the board of directors turned in their resignations temporarily until an adjustment could be made to fill the various vacancies.

Newly elected officers are: President, Vic Milnes; secretary, Harry Watson; vice-president of internal affairs, Don Foote; vice-president of external affairs, Ken Grant; state director, Bill Chrysler; and treasurer, Glenn Harrison.

Board of directors elected were: Personnel director, Jack Fitzgerald; program director, Gerald Latham; publicity director, Norman Spencer; war service, Les Higginbotham; civil director, R. A. Stag; safety and health, Robert Rucker and projects director, John Sedell.

The JayCee club met for the meeting at the Chamber of Commerce building and after a short session Diamond Flynn gave a timely talk on "The Returning Veteran and Our Duties to Him."

DAY OF PRAYER OBSERVANCE SET

Plans have been made by the Medford Council of Church Women for the local observance of the World Day of Prayer Feb. 16 at 2 p. m. in the Christian church, Ninth and Oakdale. At this service on the first Friday in Lent the church women of Medford will join in a world-wide fellowship of prayer.

The local program has been arranged by Mrs. Donna Taylor, who is chairman of the spiritual life committee of the council. Preceding the program Mrs. A. H. Gregory will conduct the annual business meeting of the council, with election and installation of officers. The business meeting will begin at 10 a. m. and a program will be presented at the noon hour.

Women attending are to bring sandwiches, salad, cake or cookies for the lunch and coffee will be served.

MAJOR STABS AIDE
San Francisco, Feb. 8.—(U.P.)—Maj. Stanley W. Duncan, 48, was reported "slightly improved" but still semi-conscious at San Francisco hospital today as police awaited his recovery to question him about the fatal stabbing of Mrs. Dorothy Vivell, 35, his secretary.

TRIBUNE CARRIERS HAVE CREDITABLE DELIVERY RECORD

A summary of carrier distribution of the Mail Tribune for the city of Medford shows that 12 out of the 30 carriers had an outstanding record for good delivery for the month of January. These 12 boys delivered 42,370 copies to subscribers with only 26 complaints for misses or poor delivery.

Bob Johnson, carrier for route 2, gave best service with no complaints while delivering 3,551 copies for the month. Lee Saunders was second with but one complaint from delivery of 3,058 copies.

Considering weather conditions and the fact that the average route has 10 to 20 chances a month, these boys should be considered as outstanding junior businessmen. The Mail Tribune routes are a business for the carriers. He buys all copies of the papers and has contracted to serve a certain route as his agency.

The Mail Tribune urges subscribers to become acquainted with their newspaper carrier agent and to discuss their individual problems with him. The subscriber is the delivery boys' source of revenue and it is his duty to please them with his delivery.

If the subscriber fails to receive a copy of the paper they are asked to telephone their carrier, or if he has no telephone, they may call the Mail Tribune office between 8:30 and 6:20 p. m. daily or between 9 and 10 a. m. Sunday for Sunday delivery.

Other carriers averaging three or less complaints, are Marvin Epstein, 4,970 copies, two complaints; Keith Bates, 2,879 copies, two complaints; Bob Work, 3,897 copies, three complaints; Larry Simmering, 3,086 copies, two complaints; Francis Thomas, 3,885 copies, three complaints; Fritz Ruch, 3,099 copies, three complaints; Bob Shults, 3,963 copies, two complaints; Herb Grey, Jr., 3,925 copies, three complaints; Ray Jablonn, 3,671 copies, three complaints and George Smith, 2,624 copies, two complaints.

DREAM CASTLE ON BLOCK
Hollywood, Feb. 8.—(U.P.)—The

Baking tips for good eating

RICH BISCUIT DOUGH
For rolls and coffee cakes

2 cups all-purpose flour 6 tbsp. shortening
3 tps. baking powder 1 egg
1/2 tsp. salt Milk

Sift flour; measure; and sift again with baking powder and salt. Cut in shortening until it is as fine as corn meal. Break egg into measuring cup; beat with fork; and add enough milk to make 3/4 cup liquid. Add to flour mixture; stir with fork until all of flour is dampened. Turn out on lightly floured board.

This basic dough is suitable for almost every imaginable type of roll or coffee cake. For example:

CINNAMON NUT ROLLS

Use Rich Biscuit Dough Above.

Roll dough 1/4 inch thick; spread with 2 tablespoons softened butter and sprinkle with 2 teaspoons cinnamon and 1/4 cup sugar. Roll up as jelly roll and cut in 3/4 inch slices. Sprinkle a few coarsely chopped nuts in the bottom of a well-greased muffin or square pan; place rolls on top. Bake in moderately hot oven (425°F.) for about 15 minutes.

BEAR CLAWS

Use Rich Biscuit Dough Above.

Roll dough 1/4 inch thick; sprinkle with 1/2 cup firmly packed brown sugar, 1 tablespoon flour mixed with 1 teaspoon cinnamon, and 1/2 cup seedless raisins. Roll up as for jelly roll; cut in 2 inch pieces, flatten out. Slash one folded edge at inch intervals to within 1/2 inch opposite side using scissors. Place on baking pan. Bake in moderately hot oven (425°F.) for about 15 minutes.

TEA RING

Use Rich Biscuit Dough Above.

Roll dough 1/4 inch thick; spread with jam, jelly or fruit or nut mixture. Roll up as for jelly roll; place on greased baking pan bringing ends together. Slash with scissors from outside almost to center about every 2 inches. Bake in moderately hot oven (425°F.) for about 15 minutes. Ice when cooled with powdered sugar and milk frosting.
