

LOCAL and PERSONAL

Sentenced — Robert E. Madden was sentenced to five days in jail in police court Thursday for being drunk on a public street.

Traffic Violators — Carl Gottsch, F. C. Kenly and the Peerless Market each posted \$1 bail at the Medford police station this week for over-parking vehicles in a 15-minute zone, records show.

Issued Permits — A building permit was issued to the Myron Root Packing company this week for the purpose of erecting a loading platform at an estimated cost of \$2,000. C. C. Ferris was issued a permit to erect a porch on the east side of a residence at 508 Palm street.

Graduates — William H. Frederick, 20, a son of Mrs. Madge E. Frederick of 809 Peach street, has graduated from Foster Field, Tex., and has been training single-engine pilots since October of 1941 but in the near future will be converted to a fixed aerial gunnery and transition school for P-40 planes, the release states.

Discharged — George Nelson Gitzon, son of Dr. and Mrs. C. A. Gitzon, 129 North Grape street, was honorably discharged recently from the army reserve corps and will continue his profession as a veterinarian here in Medford. He was a first lieutenant in the reserve veterinary corps. Gitzon is a graduate of Washington State College veterinarian school.

Corporal Home — Cpl. W. B. Kindred has arrived in Medford to spend a 30-day furlough before reporting at Quantico, Va., for marine officer candidate school. The corporal has been overseas, serving at Saipan and other Pacific islands. His wife has been residing at 816 West Second street and his parents, Mr. and Mrs. W. C. Kindred, live at 421 North Riverside avenue.

Car Hits Horse — An automobile driven by Lila Mae Saubert, box 512, Medford, struck a horse on McAndrews Road about 300 feet west of Old Crater Lake highway Tuesday night, according to a report filed by Jack Saubert. The horse apparently jumped from the left ditch and reared up onto the road, falling on the hood of the car, the report revealed, and then disappeared. Wednesday, a dead horse was found about 300 feet west of the scene of the accident, Saubert reported. About \$10 damage to the automobile hood was estimated. The Saubert car was traveling about 25 miles per hour at the time and after impact with the animal traveled about 20 feet on down the road, the report stated.

U. S. Adults Make Up Two-thirds Of Voting Population

New York — (U.P.) — Almost two-thirds of the people of the United States are 21 years old or older, an indication of the steadily increasing proportion of the population of voting age, according to a recent statistical report.

In 1920, when women first voted, about 58 per cent of the population could vote and a slightly larger proportion of men than women were in the voting age group. Now, however, the Metropolitan Life Insurance statisticians say, the women have a slight edge in numbers.

They attribute the increased proportion of adults in the population to a long-term downward trend of the birth rate, the increase in the average length of life and sharp curtailment of immigration in recent decades.

HOT STOVE LEAGUE — Keeping warm in Belgium is a job in itself. Paced by extreme cold in Ardennes sector, wire crew of U. S. 35th Division rigs up stove on back of their truck, which they use to keep them warm while on patrol. The men must use bare hands to work the wire, so stove is important to them.

Pfc. Kenneth W. Ambrose of 124 King street has been awarded the Purple Heart for wounds received in action with the Third army in the battle of Metz, last November 10, his wife revealed today. Mrs. Ambrose received the medal early this week along with a war department communication which said her husband was improving satisfactorily. The army man broke his left foot in the action and was evacuated to a base hospital in England where he is now a patient.

Ambrose was awarded the combat infantryman badge, prior to his injury, for displaying exemplary conduct in action in France during campaigns last August his wife was informed that his wife was informed that he had served 14 years in the army. Prior to the war he served in the Philippine Islands and other installations outside continental U. S.

Mrs. Ambrose has two children also in war service. They are Eugene Whipple, merchant marine, serving in the Pacific and a daughter, Betty Lee Whipple, 51c in the Waves, stationed at San Francisco.

SUSPENDED TERM GIVEN WHITCOMB
C. Harold Whitcomb was given a 30-day suspended sentence in Justice W. P. Tucker's court yesterday on a charge of driving while his operator's license was suspended.
Whitcomb's appearance in justice court was due largely to a misunderstanding, the justice reports. Whitcomb had been issued the insurance policy required to qualify him for a permit to drive again, was under the impression this entitled him to drive and had failed to wait for the proper papers to be issued by the secretary of state, the official said. Whitcomb's license had been suspended following a traffic conviction about two years ago.
It is said that Whitcomb has two sons in the army and is engaged in defense work.
