Ode to Sulfa Drugs
The sulfa drugs, the sulfa drugs, The boon to all physicians, Are guaranteed to kill all bugs And cure the worst conditions. They make you fat, they make you lean, They save the hair upon your bean, Promote the dunce to college dean, Those sulfa drugs.

The sulfa drugs, the sulfa drugs, No need for diagnosis, Just slip them to the ailing mugs And leave it to osmosis. They clean the skin and swell the bust, They give the timid nerve and crust, And clear the home of dust and rust, Those sulfa drugs.

The sulfa drugs, the sulfa drugs, What scientific wonders; You get them tinned, in glass, in jugs, They cover doctor's blunders; Psoriasis, pneumonia, sprue, Pertussis, colic and the flu, They kill them all — and even you! Those sulfa drugs, Esquire, The Hawkeye Chiropractor, —from Science Sidelights.
