ATTENTION, PLEASE

Farmers, Loggers, Contractors, Business Men, or any red-blooded person who is actually engaged in a vocation that is helpful to the war effort:

I have for sale seven ½-ton government cars of the ½-ton, 4-wheel drive, pickup type, that in my opinion, are double the value of the ordinary civilian unit.

I am reconditioning these cars tip-top mechanically.

No trouble getting gas for one of these cars, as the purchase of one is evidence that you really have use for a rugged unit.

If it is beautiful streamlines you want, don't look at them, for you don't need a pickup anyway.

Cars can be seen at George Goodman's Service Station, 9th and Central; after hours phone 4221.

Yours for quality merchandise and legitimate deals.

VATICAN PAINTED AS PEACE MENACE, CHARGES DENIED

Moscow, Feb. 12—(U.P.)—Bosir Stein, former Russian ambassador to Rome said last night that the Vatican, with its powerful international institutions, enormous wealth, and astute diplomatic practice, is a tremendous danger to world peace and post war security.

In an address at Trade Union hall, Stein urged that people make a thorough study of the Vatican's history and methods in order to avert danger. He said the Vatican was the center of a movement for a compromise peace with Germany since Archbishop Francis J. Spellman, a known advocate of a negotiated peace, visited Rome in 1943.

Charging that the Vatican never has been a purely religious institution, Stein said though it observes formal neutrality, it usually favors the winning side, but yet never burns its bridges connecting it with the losers. This was true during the last war, Stein said, when Pope Benedict tried to put over a compromise peace with Germany at the expense of Russia.

Vatican City, Feb. 12—(U.P.)—Osservatore Romano, official Vatican newspaper, today published a denial of a Soviet dispatch charging that Pope Pius XII was the "preacher of a soft peace."

The Soviet dispatch appeared last week in the Russian army newspaper "Red Star" it left the impression that the Soviets would resist any Vatican policy of intervention in regards to Germany, Austria, Hungary, and Poland.

Order of M met Tuesday to form a committee to draw up a new constitution, according to President Darrell Riggs. The committee appointed was: Alan Kircher, Dick Fawcett and Bob Watson, supervised by adviser of the club, Al Simpson.

New officers were elected at the last meeting to replace Bill Plaskett, Glenn Kircher and Dean Sheldon, former officers of the club, now in the armed forces.

Torch Honor society initiated its new members at an informal affair Feb. 5. The evening began with the initiates performing stunts. After this, refreshments were served. June Williams entertained with a song, "Always."

Following the Medford-Bend basketball game, Feb. 3, the pep team sponsored a dance called the "Levi Leap." The students attended in their regular school clothes. The dance was held in the girls' gym. Yell Leader Chuck Shinn was general chairman and helping him was Barbara Sands who was in charge of the coke concession. Barney's band furnished music for the dance and featured entertainer was Jerry Clark, high school junior, who sang two popular ballads, "Confessin" and "There Goes That Song Again."

Once again the students were given a chance to show their patriotism, this time by donating all their old clothing for the Russian war relief. Any clothing was acceptable if it was practical and in good wearing condition. Bedding and blankets were also contributed. As an added incentive to reach the one-pound per person quota, homerooms that did not make their goal in the paper drive will be entitled to the holiday if they double their quota in this drive.
