

"THE BODY" BACK
 Hollywood, Calif., Feb. 23—(U.P.)—Marie McDonald, film actress sometimes nick-named "the body," was back today from a two-month cross country tour of army and navy hospitals and camps. In Chicago, canteen hostesses objected to the shapely, blonde actress's kissing servicemen in posing for pictures, because regulations prohibit them (the hostesses) from kissing the boys.

MEDFORD MAIL TRIBUNE

News From Jackson County for Men in the Armed Services

The Mail Tribune suggests you clip and mail this news roundup to a relative or friend in service.

Date.....
 Dear.....

This week seems to have been pretty routine, with nothing very exciting happening to the home folk. Basketball fans are looking forward to the tournament this week-end in Ashland and a group of little theater workers are rehearsing daily on a new play "Deadlier Than the Male". For obvious reasons, the play has an all-woman cast. It is to be a Red Cross benefit.

Many readers of this column will be saddened to learn of the death of "Auntie" Clara Belle Purucker, for whom funeral services were held Monday.

Auntie Purucker was probably one of the best known nurses this district ever had for during 18 years of conducting a maternity home she cared for some 1800 babies born at the home.

County and city offices and banks closed yesterday for Washington's birthday and the Mail Tribune, trying to stay within a diminishing newsprint quota, did not publish.

Medford's Black Tornado wound up their regular basketball season last week-end with 55 to 49 and 55 to 33 victories over Ashland to stretch their

winning streak to 22 games, 12 of them in the Southern Oregon conference.

Friday and Saturday nights will be the district 3 tournament, in the SOCE gym at Ashland. Competing teams will be Grants Pass, holders of third place in the conference, second place Klamath Falls, Ashland, in last place and Medford, conference champions. Winner of the tournament will play winner of the district 4 tourney for the right to enter the state tournament at Salem in March.

Searches of latest lists of released prisoners in the Philippines failed to find any local names but a message from New York last week was to the effect that Sgt. Ernest T. Archer was being returned on the exchange ship Gripsholm, which docked this week. Sgt. Archer was shot down over German occupied territory in October of 1943, suffering a leg wound, and was taken prisoner.

Sgt. James L. Worden, stationed at a 15th air force depot in Italy, has been awarded a battle star and personal citation. His brother, Pfc. Weston A. Worden, fleet marine, has been on overseas duty for the past two years and is now in the Philippine area. M. Sgt. Keith J. Denman, stationed at an ATC base at Casablanca, has completed 23 months overseas duty.

A bronze star medal was recently awarded to Lt. Com. George Morris Winne for his services as a navigator on an aircraft carrier. He is on the same carrier as Lt. Com. Richard Roberts.

Sgt. Everett Chapman of Gold Hill has been awarded a citation for his services with an A-20 Havoc bomber group in Italy. Sgt. George Fredenburg, also of Gold Hill, has been promoted to staff sergeant at a southwest Pacific base of the 13th AAF. Cpl. Lewis R. Sharp, with the Third Army in Germany, has been awarded a bronze star.

Lester Scott of Central Point was recently promoted to first lieutenant and has been awarded the purple heart and silver cross.

Sgt. Hubert Santo was seriously wounded during the battle of Luzon. Sgt. Santo, who has been overseas since shortly after the bombing of Pearl Harbor, was decorated by the army for heroic action in New Guinea in the early stages of the war.

Donald Foose, Sic on an escort destroyer, writes his parents that he wishes he had something besides Japs to shoot at. He participated in the Luzon landing. Lt. (jg) O. P. Taylor, after a month's silence, wrote to say that he had been busy along the coast of French Indo-China sinking Jap ships.

Donald Fredericks has been promoted to aerographer's mate second class at a Hawaiian na-

val station and Ralph B. Seely, QM2c in the coast guard, is currently serving on a troop ship in the Pacific war theater. Standlee Morgan has been promoted to private first class with an army medical corps in the South Pacific. He was wounded several months ago and wears the purple heart.

Theodore Earl Yorton, Sic, has been reported killed in action. Yorton was a crew member of an ammunition carrier ship. The date of death was given as Nov. 10, 1944.

Home this week from the South Pacific are Lt. (jg) Donald C. Wimer, navy fighter pilot and Capt. Robert Young, marine transport pilot. Lt. Wimer spent seven months overseas and Capt. Young 14 months. Sgt. Roy Huson has reported to Santa Barbara for reassignment after three weeks at home. He served 34 months with the 41st Division. William Philip Orlov spent a week at home recently after a year's service in the navy, including several months at sea.

The engagement of Betty Whittle, Ashland, to Elwood Hedberg, RT3c, was announced Sunday. Betty was down from the university where she is a freshman and her fiance, who has just completed training at Treasure Island, was home on leave. Also announced was the engagement of Lorraine Woodburn to M. Sgt. Prentiss C. Petty and the wedding of Cpl. Jack V. Groves and Miss Jeanette Bryant of Atlanta, Ga., also the wedding of Lt. Alfred E. Sheehan to Kathleen Matlock of Charlotte, Tenn. Lt. and Mrs. Sheehan are in Medford, the officer having been placed on inactive duty with the air corps.

Five Medford youths have been inducted into the navy. They are John Bullock, Charles Bradford, Bill Virgin, George Hogstrom and Bill Broedlow. Bullock and Bradford are to attend the Eddy school in Chicago soon and the other three are awaiting assignment to "boot" camp. Both Bullock and Broedlow are sons of army colonels.

Pfc. Howard Clinton Capp of the marine corps, who participated in many marine engagements in the Pacific, has been discharged and returned to his Ashland home. Orlando MacKinnon, formerly a captain with the marine corps, has been discharged and has returned to the state police force here.

Sons were born this week to Mr. and Mrs. Donald Ross (Dorothy Flynn) at Seattle, and to Mr. and Mrs. J. Boyce Kellogg, Medford. Mr. Kellogg, petty officer first class in the navy, is now serving in the South Pacific.

Visiting here are Sgt. Eldred W. Peyton, Orlando, Fla.; Robert C. Weisenburger, Sic, who has been in Chicago and now reports to Mare Island; Charles E. Hinkle, S2c, home before reporting for embarkation; Staff Sgt. Arwood K. Morse, from Douglas, Ariz.; Frank Dixon, home from Treasure Island and reporting next to Shoemaker, Calif.; Pfc. Charles D. Craig from Luke Field, Ariz.; Lt. Jack Langston, here from Boca Raton, Fla., and reporting next to Fresno; Herman St. Clair, S2c, from Farragut, and Thomas N. Billings, Amlc, San Francisco.

Walter R. Neel, AS, has returned to Texas after a visit here. James E. Walker, SK2c, is temporarily stationed at Williamsburg, Va., and Major Albert C. Gaddis, recently at Roswell, N. M., has been given an overseas assignment.
