Coach John Pariseau and his Prineville Cowboys arrived in Medford yesterday and went through light workouts on the Medford high court in preparation for their crucial championship series with the Black Tornado, only undefeated "A" team in the state, here Thursday and Friday nights. If a third game is necessary, it will be played here Saturday night.
The Cowboys are paced by Durkee, high scoring forward, who measures about five feet, ten inches in height and is a "dead-eye" with one-hand shots from the corner. McPhetridge, about five feet, nine inches is also a high scorer. The little sophomore did most of his teams' scoring when Prineville won the district three championship by beating Bend 57 to 31. Thalhofer, six foot-two inch center, is a good backboard man, controlling both boards in his team's conquest of the Lava Bears.

Henry, measuring the same height as Thalhofer, plays guard and is a swing shot expert. He helps Thalhofer in control of the backboard.
Page, five feet, 11 inches, is a fine ball handler and plays guard.
It will be a best two out of three series with the winner to enter the state basketball championships at Salem next week.
Hayes to Play
Medford Coach Al Simpson said his team has been troubled somewhat by colds but otherwise is in good shape for the series. Tornado hopes have been brightened considerably with the return of Larry Hayes, who was injured while playing Klamath Falls here Feb. 10. Simpson said Hayes was "a little out of shape" but would add a lot of zip to the Tornado team.
Simpson said today the games with Prineville will undoubtedly be the toughest the Tornado has had all season. They have the tallest team to face the Medford squad this year and have a fast break surpassing anything used by previous Medford opponents. Don Faucett and Don McPike, both of Portland, have been secured to referee the contests.

Lee B. Ryan, for several years manager of the Walter H. Leverette theaters in Ashland, will assume management of the Medford and Northern California houses of the Leverette Interstate Theaters. Leverette announced today. Ryan will make his headquarters in Medford, from where he will supervise the four Medford theaters, the Lithia and Varsity in Ashland, Broadway and Shasta in Yreka and New Weed theater in Weed. He will be first assistant to Leverette.
Ryan came to Medford a number of years ago when Fox West Coast theaters operated the Medford showhouses. When the Fox chain ended their leases here Ryan was employed by Leverette to operate the Lithia theater in Ashland, then under lease by the Leverette firm. In 1938 Ryan took over management of the new Varsity theater in Ashland, together with supervision of the California houses. Last year the Lithia was purchased by Leverette from Harry B. Hurst and Ryan added it to his managerial duties.
Mr. and Mrs. Ryan plan to make their home in Medford.

Alles van die beste... Have a Coke
(ALL THE BEST)
...or giving the good word in South Africa
Have a Coke is a simple gesture of good will that says the same thing in Afrikaans that it does in English. It's an easily-understood way to let people know that you wish them well. In Capetown, as in Columbus or Concord, Coca-Cola turns refreshment time into friendship time,—has become a symbol of good feeling among friendly-minded folks.

You naturally hear Coca-Cola called by its friendly abbreviation "Coke". Both mean the quality product of The Coca-Cola Company.
