BATTLE ROYAL AT ARMORY THURSDAY

Six outstanding light heavyweight wrestlers will clash in the Medford Armory ring tomorrow night for the dubious honor of facing the Gray Mask the following week. All of the muscle maulers have been "bouncing" Promoter Mack Lillard for a shot at the hooded hoodlum so the promoter decided to pit them all into a battle royal with the best man to get the crack at "Old Stoneface."
Three regulation matches will follow the battle royal, the first two eliminated coming back for the first match of three ten minute rounds, the second pair out of the free-for-all colliding in four ten minute rounds and the survivors of the melee meeting in the six round top main event. The winner of the final bout will be declared victor of the battle royal and given the shot at the Mask.
Those taking part in the battle royal will be Pete Beicastro, Harold (Blood and Guts) Davidson, Terrible Tony Ross, Jack Kiser, Gust Johnson and Georges Dusette. They take to the mat at 8:30 promptly.

Millions Switch To Mutton Suet Idea For Chest Cold Aid
Soothes Rawness Due To Throat and Bronchial Irritation
Many mothers all over America are switching to this idea of getting fast relief for these chest cold miseries. They are simply following Grandma. For years she counted on mutton suet to help carry her home remedy to do its pain-easing work on nerve ends in the skin. No wonder so many more now welcome Grandma's idea as improved by science—Penetro, with its multi-medicated formula in a base containing mutton suet—that acts both as counter-irritant and pain-reliever when you spread it on, and as a soothing aromatic when breathed in. And so today Penetro hurries along never help in the old reliable way—help that eases painful misery, lessens coughing, loosens phlegm, soothes chest rawness—so that you can rest more comfortably and give nature a chance to restore vitality. That's why millions are switching to Penetro today—why druggists are recommending it. 25c, double supply 35c. For all your family's chest cold miseries, be sure you get white, easy-to-use Penetro.
