

AUSTIN RESIGNS AS INSPECTOR OF CITY MILK AREA

The city council last night accepted the resignation of Charles Austin as city milk inspector effective March 15. Austin, who has been with the city since 1929, is retiring.

Mayor Clarence A. Meeker

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expectorate laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs Chest Colds, Bronchitis

and various councilmen expressed their appreciation of Austin's service to the city. Sale of several city lots was approved. Lots 3, 4, 9 and 10 in the Euclid Park addition are to be sold to W. D. Huber for \$1100. This is a restricted area and the lots are sold under condition that nothing but dwellings will be erected, that not more than one dwelling will be erected on a lot and that dwellings will cost not less than \$5000. Closing of an alley in the addition was referred to the planning commission for recommendation.

Lots 2, 3, 4 and 5 in the Ankeny Heights addition were approved for sale to Don Newbury at a cost of \$1125.

A resolution endorsing the application of the Rogue Valley Transit company to the state Public Utilities commission for the right to carry passengers to intermediate points between Medford and Ashland was passed. A hearing on the application is scheduled for the near future.

An ordinance providing for purchase of the Olds tract on the banks of Bear Creek for a city park was passed, a complete story on the proposed park being carried elsewhere in

this issue. Another ordinance provided for the negotiation with certain federal agencies for the purchase of the Riverside USO at such time as it is no longer needed by the government. It was explained that this is in no way binding upon the council but is a protective step. Government representatives have indicated that the property might be obtainable at a very low figure on the assurance that any revenues from the property would go to a civic project, such as the proposed new park. Organizations of the city were recently polled on the matter of the city's purchase of the building and returned a favorable reaction.

A budget committee for the coming year was appointed, the members to be G. A. Gibbons, Herb Grey, Neil Collins, A. W. Lingaas, R. A. Skinner, Dwight Houghton, Elwood Hedberg and Robert Kyle.

Councilmen present were J. C. Collins, Larry Schade, H. J. Field, C. H. Herman, Donald Campbell, F. J. Runtz and Harold Frye.

The coldest day in Indianapolis, Ind., occurred in January, 1884, when the temperature dropped 25 below. The hottest weather was 108 degrees in July, 1901, July, 1924, and July 1936.

MOTHER TO JOIN VON DER HELLEN SONS IN SERVICE

Mrs. Carl von der Hellen, Route 3, Box 458, has enlisted in the Women's Army Corps for hospital duty according to an announcement by Lt. Aida Ingraham, WAC recruiting officer for Medford. Mrs. von der Hellen's entry into the service will place a third star on her family's service flag, with an anticipated fourth.

One son, Capt. Robert L. von der Hellen, is now serving with the army air corps, another son, Richard C. von der Hellen, is with the infantry in the Philippines and a daughter, Patricia, is in nurses' training at St. Vincent's Hospital, Portland, and plans to enter the Cadet Nurses Corps in September of this year.

Pvt. von der Hellen will leave shortly for Portland where a group will entrain for Ft. Oglethorpe, Ga., to take basic and hospital training. After this she will return to the hospital of her choice, which is Barnes General hospital in Vancouver, for service. The new recruit has been a leader of 4-H club activities for a number of years and last year held the position of house mother at Oregon State college.

Full information about the new medical department program and other opportunities open to members of the Women's Army corps in the air forces service forces and ground forces is available at the army recruiting station in the postoffice building, Medford, Lt. Ingraham states.

4-H ENROLLMENT LARGEST YET IS YEAR'S OUTLOOK

Corvallis, March 7 — In observing National 4-H Club week March 3-11, Oregon is helping build the club program in this country in 1945 to what is expected to be the largest enrollment in history, reports H. C. Seymour, state club leader in the O.S.C. Extension service. Last year's total of 1,700,000 4-H Club members is expected to be increased to more than two million this year.

In Oregon, where the proportion of club members to the total number of boys and girls of club age has consistently led the nation, special observances were arranged in each county, with recognition and encouragement of club work given at meetings of granges, Farmers Unions, Farm Bureaus, parent-teachers' groups, service clubs, and local churches. Every club leader is receiving a copy of message issued by President Roosevelt and Governor Earl Snell in support of the work.

F. R. Urges Effort "Your efforts must be carried forward with even more momentum in 1945," wrote President Roosevelt. "To this end may National 4-H Club week result in a reedication by all 4-H club

members of their heads, hearts, hands, and health to full-hearted endeavor in all that makes for the victory."

Governor Snell in his message to club members said, "All during the war Oregon has had every reason to be proud of these boys and girls, as they have every right to be proud of them-

selves. The increasing food emergency only serves to increase appreciation at home and in the armed forces."

Oregon had an increase in enrollment of club members in 1944 with expanded projects in food production and conservation. Every member who produced enough "Food to Feed a

Fighter" will receive a special certificate of appreciation from the army quartermaster corps. Expanded work in such projects is the aim of all leaders in 1945.

EAGLE POINT UNIT TO MEET NEXT THURSDAY
Eagle Point, March 7—Eagle

Point Extension unit will meet Thursday at the home of Mrs. Clarence Greb on Crater Lake highway. County Home Demonstration Agent Marian Farrell will be in charge. Members should bring their table service.

Closing time for Sunday Too Late to Classify 5:30 Saturday afternoon—Please remember

MONTGOMERY WARD

"Jim says I'm smart to buy the children's shoes at Wards"

"I've got to hand it to you," he said. "It's no joke making the coupons stretch when you've a bunch of lively kids to keep in shoes." "Thank Wards," I told him. "Their shoes are actually better for the money... sturdier... longer wearing. And Wards are so particular about fitting the children extra carefully!"
