Ye Smudge Pot
 By Arthur Perry

Next Wednesday, Spring officially starts, and will probably be the worst day of winter.

The esteemed The Dalles Chronicle, is editorially amazed at the number of mechanical messes, encountered on the highways these days. Further bewilderment is expressed at the ability of the venerable vehicles to stay in one piece, and, not fly apart at the next bump. How they get the gasoline to gad on, is another mystery, but not discussed. It all recalls, the golden days, when the driver of a spring model, felt no account, and downright shiftless, if passed on a mountain curve, in late July, by next year's super-offering.

LAST LAUGH ITEM
 (The Dalles Chronicle)
 "Mr. Parrot is over from Goldendale. He is trying to be a father to a flying machine, and we hope that like the great state of Oregon it will be 'volat allis proptis.' Mr. Parrot is confident that his machine will fly and has promised us a cabin passage to Goldendale and return as soon as he gets his machine perfected. Someone has said that the great trouble with flying machines is that they all have a defective flew, and that seems to be the size of it." (80 Yrs. ago Col.)

(The brevity of this col. today, is due to the pilot thereof losing its specks.)

CHARGES DROPPED IN STABBING CASE

Charges against Leon Edward Champlin, 62, of 242 South Grape street, were dismissed by District Attorney George Neilson; his attorney, George Codding, said today. Champlin was charged with stabbing Pvt. Stanley H. Sanchez, SCU, Camp White, on Ross Lane last Oct. 6. Neilson dismissed the charges for lack of evidence, Codding said.

According to Champlin, he had picked Sanchez and a companion up and driven out Ross Lane. When Champlin stopped the car, Sanchez ordered him to turn over his car and money and struck Champlin when he refused to do so. To defend himself from the beating being administered by Sanchez, Champlin took a knife from his pocket and cut the soldier on the arm.

Sanchez was then driven to a local hospital by Champlin, who gave himself up to city police but was released on his own recognizance. Champlin was employed as a fireman at Medford airport and has been in civil service for 23 years.

Sanchez was court-martialed for the attempted holdup and was given a dishonorable discharge from the army, Codding said.

Sgt. Home — Sgt. Charles Allen is home in Medford on a 30-day furlough after serving for over a year in the European war theater. He is with his wife, Patricia Allen, and baby, at Car-gill Court. Allen was wounded in Holland while serving with an armored division there.

TORNADO SWAMPS PRINEVILLE QUINT BY 59-18 SCORE

Medford's Black Tornado advanced another notch in their quest for a state tournament berth next week when they turned back Prineville, district three champions, 59 to 18 here last night. The two teams met here again tonight, beginning at 8 o'clock. In the second of their best two-out-of-three series.

Dick Fawcett, who was listed as definitely out of Medford's lineup early yesterday morning, and Jerry Ross, who was listed as a doubtful starter, were given sanction by their attending physicians late yesterday to play.

Prineville Scores First
 Don Page, Prineville guard, scored the first basket in 25 seconds. Nearly three minutes later Bob Watson hit for Medford to tie the score at 2-2. Fawcett added a basket from out front to give Medford a 4 to 2 lead and from there on the Tornado was never headed. End of the first quarter favored Medford 8 to 3 and halftime found the Tornado leading 24 to 6. Medford added 13 points in the third canto while Prineville was collecting seven, to lead 37 to 13 as the stanza ended.

Prineville sorely missed the services of lanky Paul Thalhoffer, who is confined to a local hospital with illness contracted after the team arrived here.

Medford made 25 baskets out of 67 attempts for a 37.3 percentage while Prineville hit six out of 42 tries for a percentage of .143. Medford made three free throws out of nine chances and had 17 fouls called on them. Prineville hit six gift tosses out of 18 attempts and were penalized seven times.

ROSS IS WINNER IN BATTLE ROYAL

In one of the finest wrestling cards of the year Tony Ross came out best man in last night's Medford Armory battle royal and will be given a week with the Gray Mask next week. Ross won the right to the match when he took two straight falls from Harold Davidson in the main event.

Georges Dusette was first man out of the free-for-all, followed by Gust Johnson. In their three round match neither gained a fall, the bout ending in a draw.

Jack Kiser followed Johnson out of the battle royal and was teamed with Pete Belcastro, who was eliminated by Ross and Davidson. Belcastro won two out of three falls from Kiser in their four-round bout.

REP. BENGTON GIVES SUPPORT TO THREE BILLS

Rep. O. H. Bengtson of Jackson county, in a letter to the Mail Tribune today said he is giving his support to House Joint Resolution 10, and Senate Joint Resolutions 10 and 18.

HJR 10 provides for a joint interim committee consisting of two members of the senate and three members of the house for the purpose of investigating and studying the advisability of establishing institutions for the care, examination, specialized study and treatment of delinquent, under-privileged and mal-adjusted children and generally to investigate child delinquency and rehabilitation of delinquent children.

The committee is empowered to hold public hearings and to make such surveys and investigations as are deemed necessary and make a full report of its findings at the next legislative assembly.

SJR 10 provides that a legislative committee of two senators and three representatives be created to investigate the scale of salaries paid public employees of the state of Oregon with particular reference to salaries paid employees in the lower wage bracket. The committee is to compare salaries to those paid in private industry and make a full report to the legislative assembly. The committee is to make recommendations as to the best method of adjusting the salaries paid public employees so that these employees may be kept in public service under present costs of living.

SJR 18 resolves that the state of Oregon and all its political subdivisions aid in the development of coal resources in the state and that preference be given to its use in all public buildings equipped with heating or steam producing facilities wherever possible. Rep. Bengtson wrote that this resolution might possibly have some effect in promoting development of the coal deposit on Roxy Ann mountain near Medford, though he considered the proposed legislation more in the light of a "gesture."

Navy Recruiter Urges Youths to Seek Radar Post

Lieut. Comdr. John F. Bleher, officer in charge of navy recruiting in Oregon will be in Medford Monday on tour of inspection of all substations, according to word received today by the Medford Recruiting Station.

Lt. Comdr. Bleher is stressing the need for more men to be trained as radar technicians. He states that the need is greater than ever as most of Uncle Sam's fighting equipment is fully equipped with the ingenious devices which have given such superiority over the enemy. The men for this equipment are fully as important as the machines and the navy must have a continuing flow of qualified men to be trained as Radar Technicians.

Lt. Comdr. Bleher urges every man wishing to serve his country to try first for radar training.

Information can be obtained at the Recruiting Office in the Post Office Bldg.
