LISTEN, YOU GUYS!!!
(and my apologies to Shelley)

I need a furnished apartment for two adults; no "kids" no pets. 3 or 4 rooms would do—a partly furnished house would be even better. Have in mind an adobe with electrical modern conveniences, close in, garage, something that 40 a month will cover, (at least the rent), as I'm not "Superman"—just an ordinary taxpayer drawing a nominal wage.

Well, I can dream, can't I?
