NOW
YOUR ELECTRIC SERVICE IS CHEAPER THAN EVER BEFORE

BY NOW every customer of The California Oregon Power Company has shared in the savings made possible by our general reduction in rates announced last month.

These new low rates mean a saving to our customers of \$325,000 a year. Residential users alone save more than \$165,000.

You now enjoy electric service at half the national average cost; our new residential rate will average only about 1 1/4 cents a kilowatt hour! The national average is 3 1/2 cents.

Many of your living costs have increased. Many of our expenses, too, are higher, and our taxes have surged upward. We are pleased that despite rising costs, by careful operation and the full support of our employees, we are able to materially reduce your electric rates.

Plan now—to make your home brighter—your work easier—with cheaper electricity.
