**THE OBLIGATION OF EVERY AMERICAN**

Giving to the Red Cross is an obligation—and a privilege—because the Red Cross is YOU. It is supported entirely by voluntary contributions. If you want the Red Cross—and you do!—you must support it.

To our men in uniform, the Red Cross is a precious gift from home... blood plasma to save life... sweaters and socks, cigarettes and other little comforts lovingly donated... a smile from an American girl in a lonely land...

To the boy in an enemy prison camp it's the life-saving packages and letters delivered behind barbed wire...

To the hungry, the sick, the wounded, everywhere, the Red Cross is a tangible expression of the warm, compassionate heart of America...

To you, the Red Cross is a personal representative to suffering humanity and to your men in the armed forces.
