Millions Switch To Mutton Suet Idea For Chest Cold Aid

Relieves Muscular Aches and Pains, Chest Muscle Tightness
Many mothers all over America are switching to this idea of getting fast relief for these chest cold miseries. They are simply following Grandma. For years she counted on mutton suet to help carry her home medication to do its pain-easing work on nerve ends in the skin. No wonder so many more now welcome Grandma's idea as improved by science—Penetro, with its multi-medicated formula in a base containing mutton suet—that acts both as counter-irritant and pain-reliever when you spread it on, and as a soothing aromatic when breathed in. And so today Penetro hurries along newer help in the old reliable way—help that eases painful misery, lessens coughing, loosens phlegm, soothes chest rawness—so that you can rest more comfortably and give nature a chance to restore vitality. That's why millions are switching to Penetro today—why druggists are recommending it, 25¢, double supply 35¢. For all your family's chest cold miseries, be sure you get white, easy-to-use Penetro.

but prices held firm over a broad horn of Central Point.
