Southern Oregon Dairy Co-operation has arranged a series

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

GUAM BANK REOPENS

EVANGELIST WILL HOLD SERVICE AT CHRISTIAN CHURCH

The Rev. Arthur Charles Bates, centennial evangelist of Oregon will be at the First Christian Church Sunday for the morning and evening services. Rev. Bates was formerly pastor of the Christian Church of Klamath Falls and is a speaker of unusual ability.

Oregon Churches of Christ will celebrate their centennial in 1946. The first church was organized by Amos Harvey in March 1846 on the bank of the Yamhill river, near the present village of Whiteson and was later moved to Amity. On March 19 this year the Amity church will celebrate its 99th anniversary. The third Sunday in the month is designated as the centennial committee as the birthday of the Church of Christ in Oregon. The first church started with 13 members; now there are more than 27,000. There are now 144 churches in the state.

A committee was appointed to draft a Centennial five-year program to carry through until 1946. They reported a five-point plan to the convention in 1941 and it was accepted. In brief it is as follows:

1. Evangelism: 10,000 baptisms by 1946.
2. Indoctination: An effective knowledge of why we are what we are.
3. Education: Better Bible schools. The debt of Northwest Christian College paid.
4. Missions: A support of the whole task by every church.
5. Stewardship: A deeper sense of responsibility for the task of the church expressed by titling as a minimum basis.
