**Wall Street**  
New York, March 23—(UP)—Firmness in railroad issues and gains ranging to more than 2 points in several preferred stocks sustained the stock mar-

ket today. Trading lightened. Buyers continued cautious. Holders of stocks, however, were less eager to sell and hence prices displayed were firmer in all major sections.

The closing Dow-Jones averages: Industrial, 155.45, up 0.38; rail, 51.75, up 0.08; utility, 27.60, off 0.06; and 65 stocks (57.72, up 0.09).

Sales were 680,000 shares, the least since Nov. 24, 1944, and compared with 830,000 yesterday.
