GRAY MASK WINS BOUT WITH ROSS

The Gray Mask used his famed head butts and half crab to gain two out of three falls over Tony Ross in the main event of last night's Medford armory wrestling card. First fall went to the Mask in the second round with the half crab and he took the second and the match in the fifth with head butts and a press which left Ross bleeding at the mouth. Ross' lone fall came in the fourth stanza with a grapevine hold.

Pete Belcastro lost the first fall in his go with Ernie Piluso but went on to take the next two and the bout. Georges Dusetto, who was kept in trouble most of the time by Billy McEuin, came up with the only fall of the match in the third round.

Vern Calhoun, who was to have met Dick Boatwright in a grudge match, failed to appear.

BOWLING

In Ladies' league last night Medford Alleys defeated Tolley's Gilmore two games to one (Niedermyer 174-441). Henry's Drive-In won two out of three from Wainscott's Drugs (Lowd 193-Willet 500) and First National Bank took three straight from Rolling Pin (Zuiderweg 167-473).

Dear.....

Two new places of business are being added to those on North Central avenue this week. A sixth store of the Leon chain, selling women's clothing, was opened here Tuesday at 21 North Central avenue, and Mr. and Mrs. H. O. Purucker are reopening their music store at 111 North Central avenue tomorrow. Puruckers have been out of business for the past two years since closing their West Main street store.

The weatherman announced that spring officially arrived Tuesday at 4:58 p. m., but the skies continued to drop rain, regardless. However, fields are green, daffodils in bloom and the first Chinook salmon of the year was landed at Grants Pass Monday, so maybe it really is spring.

The new little theater group here presented the Red Cross a check for \$537 this week, proceeds from their first play, "Deadlier Than the Male." The play, with its all-woman cast, was a thriller with Nazi spies and gun-toting FBI gals and was hugely enjoyed by the audience.

Another of those "chance" meetings between servicemen far from home was in the news this week, this one being between Bryan Yorton, pharmacist's mate on an LST, and Pfc. Louis P. Kurz, army engineer, on one of the Philippine Islands. Pvt. Lloyd Ehrk recently arrived in the Philippines for action and wrote home to say it was pretty wet and he hoped he didn't stay long. His brother, Pfc. Keith C. Ehrk, has been in France for six months. Pvt. Wallace H. Woods has left for overseas duty and his father, Major Harold Woods, has been in India with the army for about two years.

One of those freed from the Philippine prison camp, Cabantuan, Sgt. William E. Davis has arrived in Medford to spend two months with his father. Sgt. Davis was on Corregidor when the islands fell. Expected home soon is Cpl. Lorne B. Cox, also released from the same prison. The men have been at Letterman hospital in San Francisco for check-ups and both reported to be in fair condition.

Home after their tours of overseas duty are Robert Wolff, M-10, who spent 25 months in the South Pacific; Clinton C. Neeley, S-1c, who spent 11 months overseas; Cpl. Neils A. Soderlund, home after 37 months in the Southwest Pacific theater; Bill Colley, coxswain, who served 18 months in the South Pacific; Sgt. J. C. Wilson, home after 41 months overseas duty with the marine corps, and Lt. Thomas P. Davidson, who served with the Seventh air force in the Pacific for the past year.

Overseas news brings word of Sgt. Howard Denzer, who is serving with a heavy automotive maintenance unit in France which recently set a repair record. William A. Townes has been

Mountain Infantry in Italy, has been wounded and Pfc. Lee Reynolds, wounded in action in the Pacific area, has been removed to a base hospital. M. Sgt. Chas. L. Noe of Ashland is also reported wounded during action in the European theater.

Newly commissioned officers are Charles W. Lawrence, who recently graduated from Stockton Field as a pilot, and William R. Stout, who has returned to Columbus, Miss., for further training after a graduation leave at home.

Latest weddings are those of Lt. Donald Gillespie and Nancy Lewis Harris of Norfolk, Va.; Pfc. Ned R. Liebman and Virginia Clay, the bride being from Parsons, Kan.; and Valla Vee Vandagriff and Phillip Beers; Lt. Gillespie has been in this country for the past several months.

Major Edwin R. Durno has been awarded the purple heart for wounds received in Belgium in December. Staff Sgt. Wilson Church, serving with the 10th

after a year's overseas duty and Beers, soundman second class, served 17 months overseas.

Egyptian paintings of 2100 B.C., reveal that the wheel had been discovered before that time, but it was not until about 3,900

years later that man began to use ball and roller bearings to make the wheel turn more swiftly and easily.

The stage of the San Francisco Opera House is 131 feet wide, 83 feet deep and 120 feet high.
