

## TOMATO CROP TO BRING \$26 TON

A group of valley tomato growers met Friday afternoon with Ralph E. Koozer, manager of the Bagley Canning company of Ashland. A price of \$26 per ton, culls excluded, was announced for the 1945 crop. This is the same price as last year. No contracts were presented at the meeting, but growers will be offered them at the above figure at an early date, it was reported.

## Per Capita Value Of Citizens Upped

Washington, April 2.—(U.P.)—The amount of money in circulation jumped \$3.20 per capita during February to a new high of \$185.15 for every man, woman, and child in the country, the treasury revealed today.

**LIBERTY SHIP LOST**  
Washington, April 2.—(U.P.)—The War Shipping Administration revealed that the recent sinking of the Liberty Ship Henry Bacon off the coast of Norway cost the lives of 15 American Merchant Seamen.

## MRS. ANNA RUCH TAKEN BY DEATH

Mrs. Anna Ruch, passed away at her home at Ruch, Sunday following a lengthy illness. Mrs. Ruch was born in Trenton, N. J. Her family moved to Union, Iowa. Upon graduating from the Union public schools, she attended Cedar Falls, Iowa, and for a number of years taught in that vicinity. Mrs. Ruch came to Medford in 1912, and taught for many years in the Ruch school. In June 1913 she was united in marriage to C. M. Ruch at the Sacred Heart parsonage in Medford. They operated the store at Ruch for many years. Her husband preceded her in death in June, 1930.

Mrs. Ruch leaves to mourn her passing, her sister Mrs. Margaret Bigalow, of Ruch, and her nephew, Earl B. Bigalow serving in the U. S. army overseas. Funeral services will be conducted from the Sacred Heart Catholic church Wednesday at 10 a. m. The Rev. Father Henry Orth will officiate and interment will take place in Jacksonville cemetery. Recitation of the Rosary will be held at the Peril Funeral Home Tuesday at 8 p. m.

## 35 MARRIAGE LICENSES ISSUED HERE IN MONTH

Marriage licenses issued during March by the county clerk's office numbered 35. A majority of the applicants were civilians though there was a fair sprinkling of servicemen and their brides. The total was approximately the same as in February. During the height of the Camp White era marriages averaged 90 per month.

## MINERS AGREE TO POSTPONE STRIKE

Washington, April 2.—(U.P.)—The nation was assured today of at least another month of strike-free production in the soft coal fields.

The threat of an immediate strike was removed when President John L. Lewis sent Easter day telegrams to his United Mine workers, asking them to stay on the job another 30 days under their old contract while he and the mine operators continue efforts to work out a new one.

The old contract expired at midnight Saturday. The government, aware of the miners' policy of "no contract, no work," appeared ready to seize the mines yesterday when Lewis announced that he had requested U. M. W. members to stay on the job.

## Easter Rites At Assembly Of God Draws Big Crowd

Easter services at the Assembly of God church were well attended and Sunday school attendance hit a new high mark, tripling attendance as compared to eight months ago, according to G. O. Baker, pastor.

Rev. and Mrs. William D. Swanson entertained the congregation at both services with solos and duets. At the morning service Rev. Swanson preached a message from the 23rd Psalm, "The Lord Is My Shepherd," and in the evening he brought a message on the subject of repentance.

Tonight Rev. Swanson's subject will be "The Seven Golden Lamp Stands." Rev. Baker said a warm welcome is extended to the public for these services, which will continue each evening at 7:45.

**RESUME AIR SERVICE**  
Washington, April 2.—(U.P.)—United Air Lines announced today that it hopes to resume direct passenger-mail-express flights from Washington to Walla Walla and Spokane, Wash., on May 1.

## Gordon Green's Gift Fruit Plan Told by Columnist Dale Carnegie

Gordon Green, Oregon division manager of the American Fruit Growers with headquarters in Medford, was the subject of Dale Carnegie's column in the March 16 issue of the Los Angeles Herald Express.

Mr. Carnegie, widely known for being the author of the book, "How to Win Friends and Influence People," began the article by writing that "this is the story of a man who got hold on an idea and didn't let loose." He then stated that Mr. Green's idea

was that people would "jump at the chance to get extra fine fruit as a gift," how he began his gift fruit shipments with but 50 packages, how the gift department lost money for seven consecutive years but finally went from red to black and totaled more than a million dollars' worth of business in 1944.

Concluding the article Mr. Carnegie wrote: "Yes, one should cling to an idea he believes in. Get an idea you believe in, keep at it until you put it over."

## Dr. Patmont Will Continue Series Of Lectures Here

The Bible conference which has been in progress at the Central Avenue Church of Christ, Central Avenue and Jackson street, will continue throughout this week, W. S. Kepple, minister, announced today.

The conference, with Dr. L. R. Patmont as lecturer and Bible expositor, has met with such approval and co-operation that he has been prevailed upon to continue, Rev. Kepple said.

Dr. Patmont will speak each night at 7:30 except Saturday. His topic tonight will be "Mark of the Beast" and will follow each night with prophetic and doctrinal exposition of the scriptures, according to Rev. Kepple.

Monrovia, the capital of Liberia, was named for U. S. President James Monroe.

## NEW POINT PLAN SIMPLIFIES JOB

Washington, April 2.—(U.P.)—The office of price administration's latest plan to simplify the job of keeping track of ration points is now underway.

Under the new plan, which went into effect yesterday, both red and blue points will be validated in blocks of five stamps each on the first of every month. They will be good during the four months after their validation.

The following stamps became good yesterday and will remain so until July 31:  
Red stamps K2, L2, M2, N2 and P2; blue stamps T2, U2, V2, W2 and X2.

## BENGTSON TO TALK AT SPANISH VET MEETING

O. H. Bengtson, Jackson county representative to the state legislature, will give a review of the recent legislative assembly at the Colonel Sargent camp of Spanish War Veterans and Auxiliary Wednesday at 6:30 p. m. at Medford armory. All Spanish war veterans are invited to attend.

Closing time for Classified Ads 9 a. m.—Too late to classify 12:30 p. m.

## 4-H Club Members Urged to Aid 1945 Vegetable Output

By Earle Jossy  
County Club Agent

Four-H club members who have suitable land available should grow a 4-H victory garden in 1945. This is a good way to help in the all-out war effort and improve your standing as a club member at the same time. This need not be an individual garden. A part of the home garden can be planted and cared for by the club member. This might be an extension of rows of the same vegetables to facilitate easy cultivation.

Club members' records may be entered in the national victory garden contest in which eight sectional winners in the United States receive a free trip to the National 4-H Club congress at Chicago and a \$100 war bond. Four-H club victory gardeners are also eligible for membership in the National Junior Vegetable Growers association. This association makes three \$100 awards in the western section; 16 \$200 awards over the United States and a grand prize

## Baruch Visits With Winston Churchill

London, April 2.—(U.P.)—Bernard Baruch, American financier who arrived by plane Thursday, spent the weekend with Prime Minister Winston Churchill.

The British press association said Baruch's mission "is regarded as of considerable importance in view of the forthcoming San Francisco conference."

After his talks with Churchill, Baruch was expected to go to Paris.

# WEALTH OF THE WEST...

## Mining

In the mountains, in the surface soils, and in the depths of this incredible West vast deposits of varied minerals abound. Not only precious metals but even more important minerals—iron ore, manganese, zinc, chromite, alumina, phosphates, coal, and others—raw materials for the establishment of huge metallurgical plants. On the minerals of this region, varied industries will thrive producing machinery, tools, airplanes, auto parts, utensils, tin plate, wire, cable, and a great variety of other metal products. Of invaluable aid during the war, the mining industry will be of even greater value in the peace as invention and research develop new uses for all metals. Fabulous are the riches of the West where boundless resources challenge the initiative and ingenuity of man.

## New Analgesic Tablet now released to public

Thousands find it gives quicker, safe relief from headache—from pains of sinus, neuritis, neuralgia and arthritis

FOR MANY YEARS aspirin has been accepted by both the medical profession and the public as a safe, sure way to relieve pain.

But many people who had complete confidence in aspirin did not find it gave as quick relief from blinding, maddening pain as they hoped for. Hence in desperation they sometimes turned to other remedies less well proved.

To meet this situation a group of medical research men set out to see what could be done to speed up the analgesic or "pain-killing" action of aspirin—to make it bring their patients quicker relief, without heart or stomach upset.

Out of these researches came a really new kind of analgesic tablet, a combination of aspirin and calcium glutamate. In this new tablet, aspirin does its old, safe job of relieving pain. But through its combination with calcium glutamate, extensive testing by physicians showed it gave most people both quicker relief and greater relief from pain.

After this extensive testing and use by members of the medical profession as a prescription remedy, this new analgesic tablet has now been released for non-prescription sale by every druggist. It is called Superin (from super-aspirin). You can get its blessed, quick relief from pain by asking your druggist for a bottle today—30 tablets for 50¢. Ask for Superin—Superin. Prepared by Carter Products, Inc., New York.
