INTELLIGENCE AND CANCER

If there is one advantage vouchsafed the intelligent woman over her uneducated sister in reference to the cancer problem—a problem which one woman in eight must inevitably face if she reaches forty—it is her prudence, which leads her to visit her physician for examination upon the appearance of any trouble at all whereas her ignorant and hence prudish sister procrastinates until the disease, if it is cancer, is well advanced.

Through women's clubs nurses' auxiliaries, social service agencies and newspaper appeals, 1,319 presumably well women, some single, some married and with families, of all walks of life, ages from 30 to 80 years, volunteered to report twice a year for five years for pelvic examination. Drs. Catherine MacFarlane, Margaret C. Sturgis and Faith S. Betterman conducted this study. The examination was just the simple examination any good doctor makes to determine whether there is any indication of cancer of the uterus. Now 545 of these volunteers have completed the five-year period. Four cases of cancer of the cervix or neck of the uterus and one case of cancer of the body of uterus were found—under adequate, prompt treatment all of these patients have remained well, 2 for six years, 2 for five years, 1 for 15 months. In addition to the 15 cases of cancer thus discovered

Jackson School Has April Annual Frolic

Jackson School held its Annual April Frolic Friday night and was judged a great success. The primary grades presented "Lady Bug's Garden," a delightful combination of songs and dancing. After a short intermission the operetta "Dirzy Baton" was given by the upper grades and included a well-trained chorus as well as humorous situations.

The chicken-noodle dinner preceding the program and the food booths and games following were reported a great success. The funds received will be used for school activities, Brownie scouts, Girl Scouts, and aid to individuals.

Approximately 500 attended the event which was held in the school auditorium.

NEW LEGION POST TO HONOR CHAS. PADDOCK

Los Angeles, April 7.—(U.P.) Fifteen World War II veterans, now University of Southern California students, announced to-

day they are forming the Charles W. Paddock Post of the American Legion.

The post, to be established Monday evening, honors the former USC athlete who for many years held the world's record for the 100-yard dash.
