

Your Health and It's Care

By DR. WILLIAM BRADY M.D. Readers should address inquiries to: Dr. William Brady, 265 El Camino Beverly Hills Calif.

THE YAN KEE WAY

My wife and I, both thirty-four years of age, have two children aged three and seven. We both feel it is beyond our means to properly raise any additional children...

tend to postpone parenthood for a while. Period. Trouble with too many young men and women today is that they think they must have \$30 pencils when a 5c pencil and a \$1 pen would serve every purpose...

Dr. Brady fear of possible... contributes to unhappiness in our home. Would a sterilization operation be the logical answer to our problems?

It is as logical an answer for the family problem as is suicide for an individual problem.

If statute law does not define such sterilization as a felony it is because America is already on the way to defeat in the next great war.

By your yardstick or standard, young man, I would never have been born. I was No 3 in a family of four children...

One-child sterility may or may not be intentional—in some instances it is fate, in some it is the consequences of specific infection...

In the name of health and happiness—and I do not orfess to be an economic, moral or religious adviser—I say that no one who is not ready and fit for parenthood should be permitted to marry...

Prescription Filled Over 15 Million Times

Recommended to do just two things: relieve constipation and gas on the stomach. This successful prescription is now put up under the name of ADLERIKA. Get a bottle of Adlerika next time you stop at your druggist's and see for yourself how quickly gas is relieved and gentle but thorough bowel action follows. Good for old and young. Caution, use only as directed.
