News From Jackson County for Men in the Armed Services

The Mail Tribune suggests you clip and mail this news roundup to a relative or friend in service.

Dear _____

Here, as in every other part of the country, the news of President Roosevelt's death overshadowed all other news of recent weeks. For a time all ordinary activity of the home folks stopped as details of the momentous event were received. No inkling had been given the nation that the president was not well and everyone's thoughts have been chiefly on the progress of the war on the European continent and in the Pacific.

Farmers and fruitmen for the past several days have been preoccupied with the weather, which has been cold and rainy with even a snow and hailstorm Sunday. In spite of the beliefs of many people that this must be the coldest spring in many a year, weather bureau records show that April has often been this way. Walter Leverette made local orchard history in recent days by being the first to have his orchards dusted from the air, having imported a plane and a crew to try the aerial dusting as an experiment.

The 40-year-old former Chamber of Commerce building on Main street is being torn down this week and it is understood that the lot will remain vacant. Looking ahead to summer, the Ashland Riding association has started plans for a Fourth of July celebration and rodeo.

Many Jackson county servicemen have recently received awards. Bronze stars have been won by Sgt. Robert E. Boucher, serving with the 5th army, by Pfc. Lee Reynolds, with the Winged Victory division on Luzon, and by Pfc. Kenneth Corliss, serving in France. Corliss was also given a presidential citation. Sgt. William Johnson has been awarded a bronze star for bravery while serving in the North African theater. He is now in France. Staff Sgt. Lawrence C. Wills, with the 8th AAF in England, has been awarded an air medal and the same medal has also been presented to Second Lt. Ernest J. Pinkham, stationed with the 8th AAF in England. From another 8th station comes word that Sgt. Samuel P. Hamilton has won his third oak leaf cluster and Sgt. Ernest F. Kell has been awarded an air force parachute technician's badge at a 9th AAF base in France.

Master Sgt. Carol N. Lewis now wears five bronze battle stars and has served more than 28 months overseas in the Mediterranean and European theaters.

Staff Sgt. William O. Burnette recently wrote his parents about the battle in Germany, adding that he wished he had some of his mother's "poor-man soup" and George Barber, R2c, wrote home to tell of his chance

meeting with a long-time friend, Bill Bostwick, in the Hawaiian Islands. Cpl. L. O. DeBerry recently returned to his father a money order which he couldn't cash since it had been soaking wet and all of the writing had faded completely out.

The casualty list is unusually long this week. Reported as killed in action were Billy Lyman Jackson, chief pharmacist's mate; Pfc. Robert Rethmeyer, European theater; Pvt. Richard Van Keuren, Germany; Pfc. Keith Ehrk, Germany; Joel Huntsman, chief aviation mechanic's mate, Pacific theater. Unofficial but authoritative news was also received of the deaths in action of First Lt. Spencer B. Wells, marine fighter pilot, and First Lt. T. B. Holmes, B-29 pilot, in the Pacific theater.

Listed as wounded are Pvt. Harold Lt. Sieg and Pfc. Daniel D. Wyant, both in Europe; Staff Sgt. Robert J. Sharyon, Ashland, in the Pacific; Pvt. Bobby G. Madden, marine, in the Pacific, and Pfc. Melvin W. Johnson, wounded while serving in Germany. Also listed was Dan Walland, ARM3c, based with a B-24 crew on the Marianas.

Pfc. Charles Vanderpool is a prisoner-of-war of the Germans, having been captured in December.

Lt. Alvin Wimer has arrived in India for duty with the air corps, Cpl. Donald H. Steinmetz has completed two years of duty with the air corps, Cpl. Donald H. Steinmetz has completed two years of duty in the Mediterranean theater and S. Sgt. Weldon R. Sloan recently completed special training at the North African transport command non-commissioned school at Fedala in French Morocco and has returned to Casablanca. Pvt. William W. Clute is a member of a forestry unit in Italy recently cited for meritorious service.

A dispatch from Burma mentioned Cpl. LeRoy Morris, with the Mars task force which has marched 1,000 miles since February of last year over what is described as some of the worst terrain in the world.

First Lt. Carroll R. Clement is now stationed at Long Beach with the 6th ferrying group. Home now from overseas are Sgt. Lester C. Cass, who served three years in the CBI command; Thomas Tams, TMS3, who spent two years on Atlantic sea duty; Pfc. Dale Fieuth, marine corps, who served 18 months in the South Pacific, and Mervin McAlister, Sic, who served a year in the Pacific. Sgt. Earl A. Jones, who served in Europe for 20 months, is now at McGraw hospital in Walls Walla.

Weddings announced last week were those of Beverly

Brooks and Lt. Paul C. McQuatt; Dorothy Young to John L. Eriksen; Mildred Cook to Sgt. Quentin B. Wilson of Mercedes, Tex.; Barbara Brewer to Warren Christian Gross, merchant marine cadet; Pfc. Daisy Doris DeBerry to James Douglas Cain, USN.

Spring sports are now underway. This afternoon first baseball game of the conference season is being played here between Medford and Grants Pass and tomorrow afternoon Grants Pass, Medford, Ashland and Klamath Falls track teams hold a four-way meet here. Last week Klamath defeated the Medford track team in a practice meet, the Klamath men winning by but one point.

PFC. LEON EVANS AWARDED MEDALS FOR EUROPE DUTY

Both the silver star and purple heart medals were recently awarded to Pfc. Leon Evans, 22, son of Mrs. Barbara O. Evans, Central Point, and Mrs. Evans has received the medals. Pfc. Evans is now serving in Germany.

The silver star was awarded to the soldier after he had rendered first aid to a companion while under fire and the purple heart for wounds received Jan. 8 while he was engaged in battle near Rohrwiller, France. Pfc. Evans has been in the army since July, 1943, and has been overseas since last September. He graduated from Medford high school with the class of 1940.

Accompanying the silver star was the following citation: "For gallantry in action Dec. 10, 1944, in France. In its initial contact with the enemy, company B, 56th armored infantry battalion was subjected to an intense enemy artillery barrage

upon leaving the assembly area for the attack position. During the barrage, Pfc. Evans and one other soldier noticed several wounded men lying in the open. With complete disregard for their own safety, they left their cover, ran to the injured men and rendered first aid. Their actions undoubtedly saved the life of one of the men. This demonstration of loyalty and courage is in accordance with the highest standards of military service."
