

Four-Way Meet Set For Medford Track Saturday

A southern Oregon conference track and field meet, with teams from Klamath Falls, Ashland, Grants Pass and Medford competing, will be held on the Medford track tomorrow afternoon, beginning at 1:30.

Coach Al Simpson of Medford said his team has been hampered considerably during the past week by bad weather with poor time in the racing events as a result.

Carter, who was one of the stars last week when Medford lost by one point to Klamath Falls in a dual meet, is being counted on for three events, the high jump, broad jump and javelin throw, Simpson said. Howard Whillock has edged Jerry Ross out on the shot put this past week with a heave of 40 feet. Ross tossed the "rock" 38 feet last week to win against Klamath Falls. Simpson said the relay team has showed considerable improvement with passing being ironed out to correct the interference of runners which showed up last week.

It will be the first meet of the year for Grants Pass and Ashland, who are boasting good teams this season. Grants Pass has produced a well-balanced team over the past three years and is being considered a dangerous foe to cop Saturday's meet. Ashland will stake their hopes on Tad Gande, swift 100-yard man and Jay Samuelson in the relays, as well as several other good men.

Henthorne of Klamath Falls won the 100 yard dash last week with a time of 10.2 seconds but

will be hard pressed by Bostwick, Medford, and Gande to repeat tomorrow. Bostwick walked off with the honors in the 220 yard dash against Klamath Falls, galloping the distance in 22.4 seconds, 2 second under the district record, but will also find a lot of competition from Gande.

MASKED RUFFIAN WHIPS JOHNSON

Gloomy Gust Johnson put up a game fight against the Gray Mask for two and a half rounds last night, carrying the fight to the masked hoodlum all the way, but fell victim to four head butts midway in the third round. Just for good measure, the Mask jumped on Johnson's middle, knocking the wind out of him. Johnson rose to his feet just as the bell for the fourth round started, but Referee Earl Yoakley ruled he had enough and stopped the contest.

Ernie Piluso and Tony Ross went to a fall piece draw in the middle bout. Ross occasionally turned to the dirty side to hold his own with the Portland headlock specialist.

Jack Kiser, substituting for Billy McEuin who was unable to appear, lost a one-fall decision to Walter "Sneeze" Achleu in the opening bout.

COAST BASEBALL GAMES CANCELLED

By United Press
All scheduled Pacific Coast league baseball games were cancelled last night because of the death of President Roosevelt.

Clarence "Pants" Rowland, league president, who announced the cancellation, said flags of all baseball parks will remain at half mast for 30 days. Spectators will be asked to join in a moment of silence at each game until after burial services Sunday.

Games tonight: Portland at San Francisco, Oakland at San Diego, Los Angeles at Sacramento, Seattle at Hollywood.

BOWLING

In Ladies' league last night Wainwright's Drugs won three straight games from First National Bank (Pruitt 173-440). Tolly's Gilmore took two out of three from Rolling Pin (Johnson 189-459) and Henry's Drive-In won two out of three from Medford Alleys (Barr 190-482).

MAPLE LEAFS WIN

Toronto, Ont., April 13—(U.P.) The Toronto Maple Leafs were within a game of the national league Stanley cup championship today, establishing a new playoff record by handing the Detroit Redwings their third straight shut-out, 1 to 0.

ANGLING SEASON OPENS SATURDAY

Fishing season opens generally over the state tomorrow with the exception of Rogue river and its tributaries, in which streams the season for trout over six inches in length opens April 28. State police cautioned fishermen that the ruling applies to all streams in Jackson county which flow into Rogue river. Among streams in which the trout season opens April 28 are Applegate river and its tributaries, Hyatt lake, Emigrant lake, Squaw lake and other parts of the Rogue river watershed. This ruling does not include those streams which flow into Klamath river, state police said.

Bass and catfish may be taken from Emigrant, Hyatt and Squaw lakes beginning tomorrow while Rogue river is open to salmon only. The road to Hyatt lake is impassable because of snow, according to a report, while the road into Squaw lake is muddy but may be traveled with the aid of chains.

YANKEE PRISONERS HELD IN GERMANY SUFFER HARDSHIPS

Washington, April 13—(U.P.) Secretary of War Henry L. Stimson and Secretary of State Edward H. Stettinius said today that 70,000 American prisoners of war held in Germany are living under "deplorable" conditions.

They said, however, that the American Red Cross, through the International Red Cross, "has been and is doing everything within their power" to get relief to the American prisoners.

The American people, the two secretaries promised, "will not forget" the criminal Nazi treatment of the prisoners.

"The perpetrators of these heinous crimes will be brought to justice," they said.

Stimson read the statement to his press conference shortly after the International Red Cross disclosed in a cable from Geneva that truck convoys carrying Red Cross food supplies started a daily service today from Switzerland to prison camps in Germany. It informed the American Red Cross that 296 trucks are available for this work.

Earlier, a state department official said that the sufferings of 1,100,000 allied war prisoners in Germany will increase as long as German resistance continues. Conditions have been growing worse, he said, ever since the Russian offensive began last winter.

The Lansing (Mich.) State Journal is one of only three nine-column newspapers in the nation.

VICE PRESIDENCY WILL BE VACANT UNTIL JAN. 19, '49

Washington, April 13—(U.P.)—With Harry S. Truman installed as president, the nation will be without a vice-president until Jan. 19, 1949 when the present term of office ends.

While there is provision for succession of cabinet members to the presidency in event of the death or removal from office of both the president and vice president, there is no provision for a successor to the vice president when that office becomes vacant.

The job of presiding over the senate, customarily held by the vice-president, falls to Sen. Kenneth McKellar, D., Tenn.

Secretary of State Edward R. Stettinius is the third non-elected American to become first in line for the presidency of the United States.

Stettinius would automatically become acting president under an act of 1886 in the event of death, resignation, removal or disability of President Harry S. Truman.

High School News

Student Reporter Margo Gammill

The vocal department is going to present a musical program free to the public April 27, at 8 p. m. The music will be contemporary, featuring an informal Latin American scene by the choir. There will be choral numbers, duets, trios and pieces sung by the sextette. Dance selections will also be presented. Stage committee chairman is Gloria Preston, and June Williams is in charge of the make-up.

An interesting and instructive motion picture, "How to Remember Names and Faces," was presented to the student body, Tuesday third period. The picture, sponsored by the FCA in cooperation with the Visual Education department, illustrated memory techniques for remembering persons we meet. The five points which will help one remember are: 1. Make it mean money in your mind. 2. Treat it like a telephone number. 3. Make it paint a picture. 4. Hook it with more than one hook. 5. Repetition.

Miss Jeanne Wall, girls' gym instructor, was presented a small gift for helping with the class dance, at the sophomore's meeting, April 10. President David Dow then asked the class to contact sophomore class officers who were to find where roses could be obtained near the end of May for commencement exercises.

Jerry Igo and Bill Moffat left Tuesday for a speech meet to be held in Corvallis this week. Jerry will enter in the oratorical competition while Bill will compete in extemporaneous speech.

Both boys will enter the radio contest, submitting original script to be read over the air.

A singularly wide variety of clever and original poppy posters is being displayed in the down stairs showcase. Posters were made by all the students in the art classes.

The senior play production, "June Mad," is progressing very nicely, according to Mrs. Gladys Herron, drama club director. "June Mad," the story of a few days in the life of a love-sick 15-year-old girl, promises to be one of the most successful plays

Sunday To Open Nationwide Week Promoting Kindness To Animals

(Contributed)
April 15 to 22 is "Be Kind to Animals Week." Everyone who believes in being kind to animals is urged to take part. Beginning April 15, which is nationally designated as Humane Sunday, churches and schools

in recent years. The play is to be given May 14 and 15 in the high school auditorium.

A special assembly was called April 11, featuring two editions of the March of Time shows.

The first was "American All" which showed the evil of racial prejudice. The second was a review of the French Invasion. This picture showed the preparation for France and the occupation of France.

Again the students of Medford Senior high have participated in a national patriotic drive. This time it was an old clothes drive held April 9 and 10 of this week. The quota was easily reached as the students responded with their usual zeal. According to the office the school has surpassed the quota of 560 pounds.

Katherine Hoppe, Daphne Martin, Dolores Bismark, Shirley Pankey, Lillian McDonough and Darlene Cook assisted with the news notes this week.

AMERICAN FRUIT GROWERS REPAIR SHOP

- Your tractors, trucks and general farm machinery are going into a very heavy season's work, and since parts and good mechanics are very hard to find, it is only reasonable that you should think very seriously of repairing and overhauling your farm machinery while this service is available.
- A few hours work now may save you thousands of dollars later. As many of you know, when your tractor, truck and other farm machinery breaks down, it is very disappointing and costly.
- The American Fruit Growers' shop is staffed with four capable mechanics, including one diesel man, and has all the modern equipment essential to making a good and efficient shop.
- We want you to feel free to come in and ask for estimates on the probable work needed. We would also like to have you take advantage of our parts and general supply store located in the main building. We are dealers for Cletrac Crawler Tractors,

Oliver Wheel Tractors and other farm machinery, Friend Spray Rigs, Federal Trucks, Waukesha Motors, Westinghouse-Bendix Air Brakes and Myers Pumps.

all over the country will have kindred exercises. Kindness is the keystone of humanity. It dominates the personality of all who possess it. This does not mean the giving of dollars on a generous impulse. It means service, deeds, rather than money. When we give that service to take care of God's lowliest creatures we are doing something beyond price.

Join the Humane Society now in their pledge "To be kind to all living creatures and try to protect them from cruel usage." Visit the Humane Society's shelter this week two miles north of Medford on the Midway Road just off the old Pacific Highway. Take your children.
