WHEN WOMEN DIFFER

My husband and I have been married for some time (well, Ma'am, that is quite regular, nothing wrong about it, so far as I can see) and are now expecting our first baby in October. As I am past thirty years of age I am afraid that it will go hard with me. So I would appreciate it (Mrs. A. L. DeH).

happiness of mother and the little stranger. One chapter in the primer is about the woman who has her first baby at forty. After all, it seems absurd for Mrs. DeH to regard herself as old. That is, if she can roll a somersault and come up on her feet smiling.

QUESTIONS AND ANSWERS

My husband went to two Jims worrying about his father's case of Parkinson's disease, diagnosed by the local physician as sure to cause an escapable death. May I have two pamphlets about this disease, one to send my husband and one to send to his father's brave, frightened mother? Answer—Death is an unescapable for your husband's father as it is for you and me. Never heard of any one dying Parkinson's disease, paralysis agitans, shaking palsy. The patient can just sit and freeze or he can have his physician indefinitely by DOING something most of the time. Send stamped addressed envelope for pamphlet on "Parkinson's Disease. Extra copies 10 cents each.

Food Makes Blood Is it true that apricots make blood. A friend of mine says this is true. Answer—Yes, so do peaches, beans, peaches, apples, spinach, milk, nuts and most other foods. Send 10 cents and stamped self-addressed envelope, for booklet "Blood and Health."

Brady Baby in New Guinea Both my son, now in the Army in New Guinea, and my daughter were raised by the "Brady Baby Book." My copy was loaned to some prospecting live mother and I hope I can get a new one. (Mrs. D. McA.)

Answer—The two booklets "Preparing for Maternity" and "Brady Baby Book" are free to any service man or his wife who will provide stamped self-addressed envelope. Ten cents for each booklet, to ordinary folk.

Do you believe all heart murmurs, no matter how slight, should be treated with rest? (C. J. L.) Answer—A murmur is merely an unusual sound heard over the heart or over a blood vessel. It has no significance. Send 10 cents and stamped self-addressed envelope for pamphlet "CVD" chapters in the booklet with murmurs. (Copyright, 1945, by John F. Dille Co.)

ENVOYS QUIT TOKYO

London, April 19 (U.P.)—A Domei News Agency dispatch reported by the BBC said today that a majority of the foreign diplomats in Japan had moved from Tokyo to Karuzawa. The broadcast dispatch gave no explanation for the reported move, but presumably it was caused by air attacks on Tokyo.

The oldest university under the American flag is the University of Santa Tomas, in Manila, founded in 1611, and used during the Japanese occupation as a prison for American and allied civilian internees.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, eye pain, loss of pep and energy, getting up nights, swelling, and burning sometimes shows there's something wrong with your kidneys or bladder. Frequent or scanty passages with stinging and burning sometimes shows there's something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, and successfully by means for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood.
