Ye Smudge Pot
By Arthur Perry

The World Security conference opens in San Francisco Wednesday. Listed delegates include all known species of politicians of many lands.

The correct garb for feminine Victory gardeners has been photographed and published. They are "fetching".

Trees, with the sun beaming warmly, leafed out in grand style last week. Indications indicate there will be more leaves than ever before.

OLD TIME PERIL
(The Dallas Chronicle)
"Fortunately no bones were broken, though Mr. Koonitz's little girl was badly injured."

An increase in tire production has been ordered. In due course of time, this will increase the number of black skid marks at prominent curves that do not straighten out in time.

The fauna and flora of the valley is now in bloom. This includes the "blooming idiots".

The sister city of K. Falls is getting too big for its civic briches. It eyes the Pacific highway, the federal court sessions, and what have you, and are busier than the handle on a brace & bit trying to pull enough political strings to get them.

"In justice to 'Sam Fair' of Dutch Flat, we assure our readers that he is again a patron of the Press. We'll call it square if he says so."—(Placer Press)

NOTHING IS PAINIER
("Force of Mind")

"Dr. Hyslop's explanation of double consciousness is perhaps the best; for, to put it plainly and simply, we may say he regards it as due to a supposed inhibition of the smooch movements of the pseudopod protoplasmic protrusions of the neurospogium."

The American and Russian forces are nigh unto a juncture southwest of Berlin, the leading Nazi rat nest. It is something of a scramble, though the forces are talking to each other by radio.

POLE PACT MADE
London, Sunday, April 23.—(U.P.)—The Soviet Union and the Polish Provisional government signed a pact of friendship and mutual assistance in Moscow last night, the Lublin radio announced.

Babson Discusses President Truman

By Roger W. Babson
Babson Park, Mass., April 20.—(Special Correspondence.) The death of President Roosevelt means more than the loss of a personal friend or even a great president. It means the end of one era and the beginning of a new era.

War Outlook
The war will continue to be prosecuted with utmost intensity. President Truman will not interfere with the commanding generals and admirals. It is probable that Secretaries Stimson and Forrestal will continue in the cabinet until peace finally comes.

Peace Prospects
President Truman is reported to be more open-minded than his predecessor in connection with the peace terms. He has insisted upon "unconditional surrender" for Germany; but to my knowledge he has not demanded this for Japan.

Tax Reductions
President Truman is noted for his economical traits. Instead of being the only son in a wealthy home, he was born a poor boy. Some of his friends in Washington refer to him as a "second Calvin Coolidge."

New Deal
Many articles have appeared the past week headed "The New Deal is DEAD." I do not believe these statements. The common people of all the world are "on the march."

Eagle Point
Eagle Point, April 23.—Mrs. John Norris of Jacksonville is spending a few days here visiting her sister, and husband, Mr. and Mrs. Orvil Henderson.

Mr. and Mrs. Phil Thurston's three sons, in the navy, are now home on furlough. Two came last week, completely unexpected by Mr. and Mrs. Thurston, so it was a happy reunion.

Mr. and Mrs. Weggo Ottosen, parents of Mrs. Oscar Frey of Eagle Point, left Wednesday to return to their home in Tomah, Wis., after spending several months here.

Mrs. Amelia Miller and daughter of Los Angeles are here guests of Mr. and Mrs. Dale Ensminger and family. Mrs. Miller is a former resident of this place, having owned and operated the Sunnyside hotel. She is a sister of Mrs. Ensminger.

Glen Haley, brother of Percy Haley, arrived here Thursday and will commence working with the Guerin brothers as soon as they start operations.

THE GRANGE
Eagle Point Grange conferred third and fourth degrees, April 17, on Omia Chambers, Mr. and Mrs. Claud McIntyre, Mr. and Mrs. Ted Flury, and Mr. and Mrs. John Lucas.

A committee was appointed for the purpose of creating a living memorial on the Grange park grounds for service men from Eagle Point and vicinity. H.E.C. will meet April 25 at the home of Mrs. Sam Coye with Mrs. Art Kent as co-hostess.

Mrs. Orvil Henderson recently received a letter from Mrs. John Bacon from Panama Canal Zone. She wrote "It seems odd that spring is just arriving there, when our summer season is about over and we are waiting and praying for the rainy season to start. Even then, it is not cold by any means, but it seems cooler."

Mrs. Annie Clave received a letter recently from her son "Sandy" with the air force in New Guinea. He is fine, and he wrote that one day soon after he arrived there, he was on the street and was happily surprised to come face to face with David Hannaford, another Eagle Point boy, who attended the local school at the same time.

Pistol River Road Extension Planned For Agness Access

Grants Pass, April 23.—Forest Supervisor H. C. Obye and Construction Superintendent Don Cameron, who returned last week from investigating a bridge site across the Rogue river at Agness, report that this project will probably be handled by the public roads administration after the war. The proposed bridge will carry the Pistol river road across the Rogue just below the mouth of the Illinois river.

Present terminus of the Pistol river road is at Wild Horse Look-out station. It will require fourteen miles of road construction to take it down into Agness which lies on the north side of the river. When completed this will make access to Agness from the south possible. The South Fork Coquille forest road ends at Agness. This enters from the north. Agness, once reached only by trail or power boat, will be open to the traveling public from east and west by trail and boat, and from north and south by automobile and from overhead by plane, when this bridge and 14 mile stretch of mountain road are completed.
