PRINTED ACETATE TRICO JERSEY
Here's the most fascinating design you've ever worn and you'll be thrilled with the beauty of it. Interlocking dashes of three-tone form a unique geometric all-over print. The simple little collar arches beautifully into a plunging V-neckline and the delicately gathered bodice is accented with two-on-one-line bonewave lighted with pseudo gems. A narrow set-in belt that ties in the front and a jaunty divided front peplum are other Joyce Habrite features that beautify and feminize your figure. Sizes 10 to 18 in Red, Fuchsia and Green with black combinations; and in Aqua with Brown.

30% TEGA AND 70% RAYON, T.B.L. CREASE-RESISTANT
Here's a new little number that you won't be able to pass up. Because, like all JOYCE HABRITE fashions, it clicks when it comes to line, color, and perfection of design. It begins with a modern little pointed collar and continues into a washing-two-pocket design accented by horizontal tucking, starting at the shoulder line on a narrow shawl and widening where the cupped and pointed pockets begin. Self-fabric buttons do the semi-contour beauty to just below the waistline where the skirt takes the spotlight with sweeping pleats draping from double-waisted darts. The waistline is charmingly encircled with a multi-colored ribbon belt. All this, and in delectable colors, for the girl who wears the best. Sizes 12 to 20 and 36 to 42 in Champagne, Green, Coral and Blue.

Chairman Boomer of the committee said the May Day party is for Elks and their ladies only which means all Elks whether they belong to the local lodge or not.
