

Beavers Drop Two Games But Retain League Lead

By United Press
If the lowly Hollywood Stars hadn't suddenly turned into giant killers, the Portland Beavers wouldn't still be leading the Pacific Coast league today.

The Beavers dropped a double-header to the Oakland Aorns yesterday, 1-0 and 3-1, while the rejuvenated Twinks took their first series of the season, four games to two, by splitting a twin bill with the second-place Seattle Rainiers. Hollywood took the opener, 12-2, but lost the nightcap, 15-10.

San Diego's Padres annexed two games from the Seals of San Francisco, 6-1 and 5-1, for a 5-2 series margin. The Los Angeles Angels won the odd game of their series with the Sacramento Solons by dividing a pair. The Angels were victorious in the opener, 10-2, but were edged out in the finale, 12-11.

This week, San Francisco visits Sacramento; Seattle is entertained by Oakland; Portland goes to Hollywood and Los Angeles travels to San Diego.

FOUR SHUTOUTS PITCHED IN BIG LEAGUES SUNDAY

SCORES YESTERDAY

American
Boston, 2-6; Philadelphia, 0-3. Detroit 4-0; Cleveland 0-4. St. Louis, 3-10; Chicago, 2-4. New York, 13-1; Washington, 4-2.

National
St. Louis, 8-2; Cincinnati, 3-1. Pittsburgh, 6-5; Chicago, 2-4. Philadelphia, 5-0; Boston, 3-1. Brooklyn, 4; New York, 3.

New York, April 30—(U.P.)—Dave Ferriss, late of the army air forces, pitched a five-hit shutout in his very first big time appearance yesterday. In addition, he had a perfect day at bat with three singles in Boston's 2 to 0 victory in the opener of a double bill at Philadelphia. Then the Red Sox, who had lost eight games in a row, went out to take the second game too, in 13 innings, 6 to 3, for their third straight victory.

Good pitching was the order of the day elsewhere yesterday, three other shutouts being turned in. At Cleveland, Paul (Dizzy) Trout won his third game and second straight shutout for Detroit, beating the Indians, 4 to 0, after Steve Gromek had blanked the Tigers, also, by a 4 to 0 score.

Browns Beat Sox
The St. Louis Browns won two games from the visiting Chicago White Sox, 3 to 2 and 10 to 4. The White Sox, who hadn't lost a game, blew both contests after taking early leads.

The Yankees and Senators split at New York, Hank Borowy getting his third victory in the opener, 13 to 4. Washington took the second, 2 to 1.

In the National league, the Cardinals beat pitcher Bucky Walters of Cincinnati for the first time since 1943, 8 to 3, to sweep a double header, after winning the opener, 2 to 1.

Cubs Lose Two
Pittsburgh snapped the Cubs' six-game winning streak and sent them out of first place with a twin win at Chicago, 6 to 2, and 5 to 4.

At Boston, the Braves and Phillies divided their games, Philadelphia taking the opener, 5 to 3, with a late rally and the Braves the second, 1 to 0.

Dixie Walker's three-run homer gave the Dodgers a 4 to 3 victory over the New York Giants at Brooklyn in a single game.

BABE ZAHARIAS WINS
San Antonio, Tex., April 30—(U.P.)—San Antonio golf fans grudgingly conceded today that Babe Didrickson Zaharias probably is the nation's top-ranking woman golfer. "The Babe" defeated the home-town favorite, Betty Jameson, with an easy 10-stroke margin in yesterday's windup of their 72-hole challenge match.

Three Big League Baseball Players To Face Induction

St. Louis, April 30—(U.P.)—Catcher Walker Cooper, receiving end of the Cardinals' famous brother act, reports for army induction today.

Walker, with his pitching brother, Morton, sparked the St. Louis National league pennant drives of 1942, 43 and 44. He was a big gun on attack as well as a brilliant strategist on defense. Bating .317 last year in the cleanup spot, he will leave what many consider an unplugable gap on the team.

Whether or not the world champions' pennant hopes must be considered in "receivership" depends on the ability and durability of Ken O'Dea and Rookie Del Rice.

New York, April 30—(U.P.)—Two of the top pitchers for the Washington Senators left the team today to go to draft boards for pre-induction physical examinations.

They are Emil (Dutch) Leonard, veteran knuckle ball artist who won 14 games with the last place Senators in 1944, and Milton (Mickey) Haefner, a 12-game winner in 1944.

Major Leagues See Season's Top Crowd

New York, April 30—(U.P.)—Turnstiles at the major league baseball parks had their busiest day of the season yesterday, with 174,162 spectators on hand for 15 games.

This was approximately 34,000 more than attended last Sunday, and compared with 101,593 on opening day. The St. Louis Browns drew 10,825 compared to a total of 7,473 who attended the first three games. The National league outdrew the American, 95,751 to 78,411.

Santa Barbara, Cal., April 30—(U.P.)—Sgt. Des Moines, Ia., April 30—(U.P.)—Billy Moore, naval trainee at Western Michigan college, cleared the bar at 14 feet in the fourth wartime Drake relays to establish the second best collegiate pole vault performance in the meet's 36-year history.

Despite Moore's performance and the shot put and discus titles won by Missouri's Bill Bangert, not a single record was broken during Saturday's collegiate competition.

Bangert took individual honors in the meet. He repeated in the shot put with a heave of 51 feet, 5 1/2 inches and added the discus title by tossing the platter 151.09 feet. Paul Fagerlund of Iowa threw the javelin 205.2 feet for the highest mark since 1941.

USE **DN-111** on pear trees

DN-111, a water soluble salt of Dinitro-cyclohexylphenol, has been thoroughly tested and proven by three years of successful commercial use for the control of Rust Mites and Spider Mites in the Rogue River Valley. Not only is the initial kill extremely high but due to its prolonged toxic action the product remains effective for several days, thus giving the opportunity for a thorough and complete clean up of the pest. While in most cases one application is sufficient, two applications may be found necessary in orchards where late colonies of spider mites have become established.

DN-111 can be used as separate spray without spreaders, stickers or wetting agents, or it may be used in combination with lead arsenate by the addition of Colloidal Z-1 Spreader. Its use will not interfere with or complicate any codling moth spray program if properly timed nor complicate the subsequent removal of spray residue from the fruit.

DN-111 applied as directed by your County Horticulturist or local Dow dealer will give excellent results in the control of Rust Mites and Spider Mites.
