Chamber officials said the drive officially closed in Medford April 17 but clothes have continued to be donated. Over two tons of clothes were turned in after the drive closed, it was said.

**Japanese Prepare For Yank Landing In Hongkong Area**

With Chinese Forces on the Western Front, May 1 — (UP) — The Japanese are preparing for a possible American landing at Hongkong after the battle of Okinawa, high American officers said today.

The enemy has stationed at least 250,000 troops along a corridor from Canton to Hongkong, the officers estimated. Nearly 100,000 Japanese troops have made progress in a drive toward the 14th AAF airfield at Chihkiang in Hunan province. If the Japanese knock out Chihkiang they can keep the Hankow railway repaired for use in moving troops to Hongkong. The Americans would have to land many more troops at Hongkong if Chihkiang falls than would be necessary at present.

## BABY-KILLING DOG FINALLY EXECUTED

Los Angeles, May 1 — (UP) — Wolf, five-year-old Staffordshire Bull Terrier who killed her 21-month-old mistress, was revealed today to have paid for the attack with her life.

Attorney Joseph Scott, representing the baby's parents, Sgt. and Mrs. Charles Dardinger, said the dog was asphyxiated last night.

Wolf's death ended months of legal wrangling between the Dardingers, who sought to have their pet executed by city authorities, and dog lovers throughout the nation.

Little Marguerite was killed last Feb. 13 when Wolf, apparently jealous of attentions bestowed on the baby, seized the child at the base of her skull and shook the life out of her.

## U. S. GIVES GOOD HOUSEWIVES BONUS OF RED POINTS

Patriotic American housewives every day are getting extra red points for doing a job that they alone can do for this country.

For those who wish to get this red-point bonus, here's what to do. Save every drop of your used kitchen fats. Turn them in to your butcher promptly. For every pound, he'll give you 2 red points bonus. . . that's how urgently these used fats are needed to make medicines, gunpowder, synthetic rubber, soap and a hundred other essentials on the battlefield and home front. Keep saving until the last gun's fired!

will highlight the evening, with Mrs. A. H. Puhl, Medford, conducting the ceremony. A musical program has been planned and refreshments will be served.

Every member is urged to attend this final meeting.
