

Sox Hurler Gives Tigers One Blow To Win, 5 to 0

SCORES YESTERDAY
 American
 Chicago 5; Detroit 0.
 Boston 5; Washington 4.

New York, May 2—(U.P.)—It was just a garden variety single and Pitcher Joe Haynes of the

Chicago White Sox never gave it a second thought as the ball whistled past his ears and into center field.

That was in the third inning at Detroit yesterday, but before the finish that hit loomed bigger to Haynes than the mightiest home run ever smashed. For when it was all over and the White Sox were 5 to 0 winners over the Tigers, Haynes had come within just one pitch of turning in the first perfect no-hit game in the Major Leagues in exactly 23 years.

In the only other Major League game yesterday, the Boston Red Sox won their fourth straight game, topping the visiting Washington Senators, 5 to 4, to qualify as baseball's "hot and cold" club. The Red Sox, who dropped their first eight games, continued to get adequate pitching and timely hitting to prolong their streak on the right side of the books. The Senators got only four hits, three of them by George Binks.

All other games were postponed because of rain.

CUB DRAFTED
 Chicago, May 2—(U.P.)—The Chicago Cubs were left with only five outfielders today with the drafting of Cecil Gariott, 28-year-old reserve. Gariott originally was classified 4-F but he was called up for re-examination yesterday and was accepted.

NEW FACES HOLD FORTH AT ARENA THURSDAY NIGHT

Two newcomers will be introduced to wrestling fans at Medford armory tomorrow night along with four old favorites to make up what Muscle Maestro Mack Lillard calls one of his strongest cards in several months.

Kenny Ackles, who has been headlining bouts at Hollywood Legion Stadium, one of the toughest places in the country to make good, will be making his initial appearance in southern Oregon, meeting popular Georges Dusette, coast champion in the four-round semi-windup. Ackles is said to be every bit as clever as Dusette and has a wide variety of holds at his command.

Antone Leone, who comes direct from Oyster Bay, N. Y., to the northwest, is inclined to rough things up a bit, an opportunity which will undoubtedly be given him when he faces Terrible Tony Ross in the three-round opener.

Not to be overlooked is the long-awaited six round main event between Walter "Sneeze" Achieu and Tony Morelli, the Bronx smother hold expert. The Gray Mask was given his walking papers when he refused to meet either the Chinese jui-jitsu expert or Morelli so Lillard pitched them together, a move that mat bugs had been hoping he would make.

Sport Chips

Enthusiasm is running high toward a summer softball league in Medford. Several players and team managers who have been connected with the sport here in years gone by favor reviving the league. Consensus of opinion seems to favor playing one night a week, and not more than two nights a week, with six or eight teams making up the circuit.

Sam Jennings, who has sponsored teams here for the past 12 years, said yesterday he has made a hurried check of players and there seems to be considerable enthusiasm. Jennings said the players he contacted would like to see the league started and he added he would be glad to sponsor a team.

Ray Singler, who has played softball in Medford for nearly 20 years, is anxious to see the sport revived and said he could be counted on to do all possible to promote a summer league.

Ray Lewis, who acted as manager of the last league in Medford, said he was highly in favor of re-organization and would be glad to help in any way. His duties may prevent him from acting as manager again, Lewis said, but he is anxious to call a meeting and get the thing started.

E. H. Hedrick, city superintendent of schools, said the high school football field and lights would be available for a summer league. Hedrick said the expenses came to about \$10 a night when the league was operating four nights a week a couple of years ago. The lights on the high school football field were paid for by three seasons of football, Hedrick said.

Hedrick suggested a twilight league be formed and offered use of the high school baseball diamond for this purpose. He said his office would find some way to carry the expense of such a league. Then if the league showed signs of being a success, Hedrick said, it could be moved into a night circuit. Most of the players and spectators contacted on the matter prefer a night league, however.

A clerk at Lamport's Sporting Goods store said they have a good assortment of equipment on hand although it is hard to get. The bats are said to be of a low quality but would be good enough to "get by."

A meeting will probably be called some time the first part of next week at which time organization plans will be discussed.

ANGELS, SOLONS RALLY IN FINAL INNINGS TO WIN

By United Press
 Ninth-inning explosions featured the only two Pacific Coast League games last night as Sacramento nosed out San Francisco, 5 to 4, and Los Angeles thumped San Diego, 7 to 3.

The Oakland-Seattle and Hollywood-Portland series get underway tonight.

Lefty O'Doul's Seals had a 4-1 lead over Sacramento going into the final frame, but when the shooting was over the Solons had tallied four times to take the game.

San Diego and Los Angeles were deadlocked at 3-3 as the ninth frame began. The Angels loaded the bases and pinch hitter Leonard Greene promptly cleaned them with a double off Charlie Wensloff.

Scores:
 Los Angeles 7 9 1
 San Diego 3 7 3
 Hick and Kreitner; Wensloff and Ballinger.
 San Francisco 4 10 1
 Sacramento 5 10 1
 Seward, Piercey, Brondell and Ogdowski; Sprinz, McCarthy, Powers, Wilson and Schleuter. (Only games scheduled).

WALKER COOPER TAKEN BY NAVY

Chicago, May 2—(U.P.)—The top battery in baseball, Bob Feller and Walker Cooper, belonged to the Great Lakes team today.

Cooper, who has been the star catcher of three championship St. Louis Cardinal teams, was inducted at Jefferson barracks, St. Louis, yesterday and assigned to the Great Lakes naval training station.

Feller, chief specialist and coach of the navy team, will welcome the big receiver. He has been having trouble finding a catcher who can hold his fast ball, which made him one of the greatest pitchers in baseball when he played with Cleveland. Walker enters the service with a contract argument still pending in the baseball commissioner's office. He and his brother, Mort, ace Cardinal pitcher, asked \$3,000 more than the \$12,000 their contracts called for.

Stanford Not To Resume Football

Palo Alto, Cal., May 2—(U.P.)—Stanford university will not resume football next fall even though the Indians will have a new source of manpower from a naval R.O.T.C. program, officials said today.

They pointed out that the navy program will not start until Nov. 1, well into the grid-iron season. However, Dr. Don Tressider, Stanford president, declared "at least we can begin making some definite plans for a return to athletic competition in an intercollegiate sense."

Longest hit of the day was slammed out by Alan Kircher who got a home run but missed second base and was called out. Fawcett hit a triple.

Davis struck out nine Rogue batters and Fawcett fanned four in the two innings he worked. Clark, Rogue hurler, whiffed three.

MAX SCHMELING SAID TO BE STILL ALIVE

With U. S. First Army, Germany, May 2—(U.P.)—A German prisoner, who said he served in the same penal outfit with Max Schmeling, said today that the former World Heavyweight Boxing Champion was suffering from a wound but still was alive late in March.

The prisoner said Schmeling was shot in the leg during a battle with the Russians when a whole German unit of 2,000 men, with the exception of seven, was wiped out or wounded.
