Wall Street

New York, May 2 (UP)—Stocks moved irregularly through a relatively quiet session today. A sufficient number of leaders showed declines to bring losses into the averages. But there were many gainers, and some of them sizable. Traders displayed a bit more caution in making new commitments pending definite word on the end of the war in Europe which the unconditional surrender of German forces in Italy seemed to bring nearer. Preliminary closing Dow-Jones stock averages were: Industrial 165.03, off 0.06; Railroad 50.24, off 0.07; Utility 30.25, off 0.04; 65 stocks 61.89, off 0.04.
