

BECK FAMILY IS TOGETHER AFTER NEARLY 4 YEARS

With the arrival home this week of the daughter, son and son-in-law of Mr. and Mrs. Michael Beck, Old Stage Road, all six members of the family are together for the first time since Dec. 18, 1941. Here are Cpl. LaMorie Beck Witt, Wac; her husband, First Lt. Richard Witt, home after 38 months continuous service in the Southwest Pacific, and the Beck's son, Sgt. Alfred M. Beck. Sixth member of the family is another daughter, D'Ann Beck.

Lt. Witt has been returned to the United States under the rotation policy and expects to be assigned to a base here. He and his brother-in-law enlisted together Dec. 19, 1941, and after training Witt sailed, as a private with the first contingent of troops leaving this country under a foreign flag, the ship having been British. This was in February of 1942.

In the ensuing months the young man saw service in almost every one of the Southwest Pacific island campaigns. He rose to the grade of technical sergeant and on Jan. 25, 1944, was given a field commission of second lieutenant. His last overseas assignment was as an aerial photographer with the Fifth AAF. Earlier this week the officer was informed of his advancement to first lieutenant. Lt. Witt was educated in the Gold Hill and Rogue River schools and is a son of Mrs. Margaret Leeson, Ashland.

Cpl. Witt has been in the Women's Army corps for 18 months during which time she served at the Pentagon building in Washington, D. C., and later at Ft. Sam Houston, Tex. She reports next to Camp Lee, Va., the army adjutant general's school. Cpl. Witt was trained at Ft. Des Moines, Iowa.

Sgt. Beck is here on furlough from the army air base at Yuma field, Yuma, Ariz., where he is a crew chief for a B-29 unit. All three of the young people were on the staff of Beck's bakery before entering the service.

CARD OF THANKS
I wish to thank my friends for their sympathy and kindness during my recent bereavement. Also for the beautiful flowers.

LET'S NOT FORGET The Little Ones At Home!

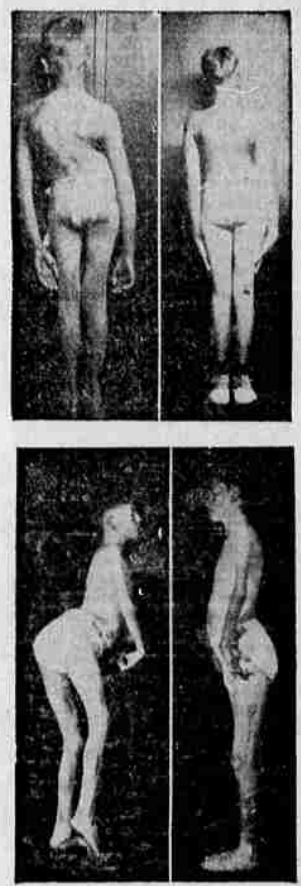

BILLIONS are being sent to every corner of the world to help restore the devastated countries and to relieve the suffering of men, women and children made homeless and destitute by war.

That is as it should be, but let's not forget that countless children in our own country—some in our own county—face a darker future than most of those prostrated by the devastation of war.

We speak for the crippled children awaiting admission to the Shrine Hospital for Crippled Children, too poor to obtain treatment elsewhere. Their free treatment at the Shrine Hospital is impossible unless we more fortunate folks make additional facilities available.

Let's open our hearts and our purses to these unfortunate little ones. Help those in other countries? Yes, indeed. But let's not forget the little ones at home.

Fill out the coupon and mail it today.

A few weeks ago we called your attention, through an advertisement in this newspaper, of a number of reasons why GEHL HAY CUTTERS offer such superior performance. Your response was such that our entire allotment is now sold. So we say "Thanks a million" and express sincere regret that we cannot fill additional orders for GEHL HAY CUTTERS right now. When we can get them we'll let you know.
