BOY SCOUTS TO COLLECT WASTE PAPER SATURDAY

General collection of waste paper from individual Boy Scout troop storage places will take place Saturday, May 12, it was announced today by Gordon Gilmore, scout executive. Camp White will furnish five trucks and drivers to gather the paper and each troop is asked to furnish at least six boys and an adult to man the trucks, Gilmore said. Scouts are asked to meet at the scout office at 8:45 a.m.

Each troop's paper will be weighed separately and a record kept so that each troop will get all the money due it, Gilmore said. The paper will be shipped to the Pacific Paper Mills company of Portland for the top market price.

Pinnacle Packing plant number three will be available for two days prior to the general pick-up day as a central collection depot for people who have waste paper and can bring it in themselves. This paper will be loaded in the same car but weighed separately. Money from the paper brought to the collection depot will be divided between the troops who help to load and prepare it and who help to clean up the depot. Each troop is asked not to send more than eight boys to help at the plant and should not be the same boys who help on the trucks.

All persons who have waste paper and cannot bring it in themselves are asked to call scout headquarters, 2350, and a truck will be dispatched to pick it up. To facilitate handling paper must be securely tied in bundles with heavy cord; newspaper, magazines and corrugated shipping cases each tied separately. Failure to have the paper tied properly will result in the price paid being cut.

The Task Yet Ahead

IT IS FITTING that victory in Europe should be the occasion for us to dedicate ourselves to the job yet ahead. First, victory in the Pacific; and then a contribution from all of us toward the building of the kind of free world for which so many have bravely fought.

Toward this end, we now pledge ourselves.
