

# San Diego Hands 10 to 1 Shellacking To Beavers

**By United Press**  
The Portland Beavers, who established themselves atop the Pacific Coast League mainly by taking 11 decisions in two series with the lowly Hollywood Stars, finally met someone their own size last night—San Diego.

Pepper Martin's Padres whitened down the Beavers, 10 to 1, to the delight of 4,500 hometown customers. Portland's first-place margin was cut to four and one-half games while San Diego climbed to within three percentage points of the runner-up Oakland Aacorns.

Ancient Jim Brillheart allowed the Beavers nine hits—the same number his teammates collected off Don Pulford and Clarence Federmyer—but was stung when the bags were populated. The Padres iced the game

in the fourth when they scored five runs.

It was San Francisco's turn to pick on tailend Hollywood and the Seals pounded out a 9-1 victory.

The Seattle Rainiers downed the Sacramento Solons, 7-3, before a small capital city crowd.

Oakland and Los Angeles opened their series at Wrigley Field today with a double-header.

# ROUGH GO SEEN FOR MAIN EVENT THURSDAY NIGHT

One of the game's most colorful wrestlers will return to Medford armory tomorrow night in the person of Gorgeous George Wagner, now of Eugene, and will meet Tony Morelli of The Bronx in the six round main event of the weekly mat shindig.

Wagner, who sports a gala collection of robes, is one of the roughest campaigners now on the coast and figures to give Morelli a bad time. Neither man asks any quarter once they are in the ring and fans are looking forward to a terrific brawl.

A fast scientific bout is in prospect for the middle class when Walter "Sneeze" Achieu squares off against Georges Dusette, coast champion. Both are masters of clean grappling with Achieu relying on his jiu-jitsu and Dusette his standing full Nelson.

Paavo Katonen, who like Wagner is a former coast champion, goes against Antone Leone in the 8:30 opener. It will be Katonen's first trip to Medford in several months.

The Medford school board should be commended on its choice of William R. (Jake) Schaefer to take over the coaching reins at the junior high school next fall. Schaefer has been a personal friend of the writer for several years and it is our opinion that the board would have to look a long way to find a better man.

Schaefer is also a personal friend of Al Simpson, head man of Medford high's sports program, and should fit in well with Simpson's style of ball and Medford's system of bringing its athletes up from the grade schools all groomed for high school play.

Schaefer, whose home is in Portland, coached at community centers in Portland before the war and attended University of Oregon in 1938. In 1939 he went to Southern Oregon College of Education at Ashland, leaving in 1941 to do a two-year stretch with the Merchant Marine. He returned to SOCE in 1944 and will get his diploma there in June.

# CARL DUMLER IS HONORED PITCHER

Los Angeles, May 9.—(U.P.)—Carl Dumler, "rags to riches" pitcher who won eight straight games for the San Diego Padres last month, today was named athlete of the month by the Helms Athletic Foundation.

Dumler defeated San Francisco three times, Los Angeles twice, Oakland twice, and Seattle once before losing two games to the Angels last week.

Dumler had attained only mediocre success in baseball before this season.

He will be presented the award during a special ceremony before the San Diego-Portland game at San Diego May 12.

# POTTER ALLOWS THREE HITS TO BEAT SENATORS

**SCORES YESTERDAY**  
American  
St. Louis 7; Washington 1  
Cleveland 7; Chicago 1

New York, May 9.—(U.P.) There was mounting evidence today that the American league is stealing some of the National's thunder as the circuit noted for fine pitching.

There has been a great deal of excellent mound work in both circuits this season but most of it has been in the American. To date there have been 25 games in which the pitcher has doled out four hits or less, 17 of which have been in the American.

Nelson Potter of the Browns was the latest to turn in a superlative performance, defeating the Washington Senators, 7 to 1, in a three hitter at St. Louis last night. After George Case got an infield hit in the first inning on which he eventually scored, Potter held the Senators hitless until the ninth.

In the only other major league game, the Cleveland Indians defeated the league leading Chicago White Sox, 7 to 1, for the first time this year after losing five straight to them.

# 50 Chinese Army Officers Attend Ordnance School

Independence, Mo.—(U.P.)—The Chinese army has sent 50 of its officers to study American ordnance methods at the ordnance school, Aberdeen Proving ground, Maryland, Lt. Col. A. H. Gardner, Jr., commanding officer at the Lake City ordnance plant, said recently.

Some of the young officers came out of China by plane, over "the hump" to Assam and India, and then to the coast. Others came from the Burma jungle battlefield.

Col. Gardner said that due to lack of space and because of shortages, the officers were limited to a very small amount of clothing. They have been authorized to wear American uniforms and quartermasters sales and officers' clothing stores have been opened for them for the duration of their stay.

Nearly all of them have been in the Chinese army more than five years and two-thirds of them are graduates of the Chinese Ordnance school.

Students from many United Nations armies have studied at the Aberdeen school. Col. Gardner said, but the 50 Chinese officers are the largest single group to attend.
