New York, May 14—(U.P.) The best minds in baseball were having little or no luck today in solving a mystery within a mystery—the baffling case of the first place White Sox and Pitch-

er Thornton Starr Lee. The first part isn't too tough to solve—Chicago is pacing the pack in the American league with fine pitching, timely hitting and the Manager Jimmy Dykes brand of hustle. But it's the "why" of that superior pitching, particularly as regards Lefty Lee that calls for detective work. He has regained his form and today after a 5 to 1 victory over the visiting Washington Senators, is the team's top winner with four victories and one defeat.

Sox In First Place
 With another veteran, Orval Grove, who won, 4 to 2, in the

second game, he collaborated in the day's only double triumph, moving the Sox back into first.

The best pitching in the majors was on display at Detroit where Rookie Dave Ferriss won an 8 to 2 victory for the Boston Red Sox and Alton Benton pitched a three-hit 2 to 0 shutout for the Tigers.

The St. Louis Browns salvaged their second game at Philadelphia with a seven run rally in the eighth to win, 8 to 2, after the Athletics won the opener, 4 to 1.

Atley Donald maintained his "hoodoo" over the Indians, pitching the Yanks to a 1 to 0 victory in 10 innings at Cleveland. The Indians knocked the Yanks out of the league lead, winning the second game, 4 to 2.

Giants Stopped
 The New York Giants winning streak ended at eight, but not until the National league leaders had topped the Cards, 4 to 3 in the opener. St. Louis won the second, 6 to 5.

The Brooklyn Dodger eight-game streak remained intact after a 10 to 3 victory over Cincinnati behind veteran Curt Davis, who gave up 11 hits but distributed them well. Rain ended the second in the fourth with the Reds ahead, 2 to 1.

Vince DiMaggio drove in three runs to give the Phillies a 6 to 5 victory and an even break over the Pirates at Philadelphia, Pittsburgh winning the opener, 9 to 6.

The Braves topped the Chicago Cubs, 3 to 2, in a seven inning game halted by rain at Boston. The second game was called off.

It was in Panama that a European Balboa, first beheld the Pacific Ocean.

BEAVERS HOLD SIX GAME LEAD IN COAST LOOP

By United Press
 The Portland Beavers headed for home today with a six-game lead and the confident feeling that they've easily handled the most vigorous opposition their Pacific League rivals could offer.

Manager Marv Owen's men defeated San Diego twice yesterday, 4-2 and 3-2, to wind up the week with five victories in seven games with the club that was picked to whittle them down to size.

The Los Angeles Angels finally snapped out of their batting doldrums to announce a twin bill from the Oakland Aorns, 3-1 and 9-1. The Angels had a 4-3 margin for the series.

Seals Halted
 Lefty O'Doul's San Francisco Seals had their winning streak snapped at five straight when the Hollywood Stars copped the nightcap, 2-0, after the Seals won the opener, 3-2. One game of the series was rained out.

The Seattle Rainiers split with the Sacramento Solons. The Rainiers took the opener, 5-4, while the Solons won the finale, 4-2. The abbreviated series went to Seattle by a 4-1 margin.

San Diego tried desperately to pull out a triumph over Portland in their second game. Catcher Del Ballinger clouted a homer to send the contest into an extra inning. The issue was decided when Charley English's long fly brought in Larry Barton from third.

The Key To—
"GOOD BUSINESS"
 By Edgar A. Guest

If I POSSESSED a shop or store, I'd drive the grouchies off my floor!
 I'd never let some gloomy guy Offend the folks who come to buy;
 I'd never keep a boy or clerk • With mental toothache at his work,
 Nor let a man who draws my Pay Drive customers of mine away.
 I'd treat the man who takes my time • And spends a nickel or a dime
 With courtesy, and make him feel That I was pleased to close the deal,
 Because tomorrow, who can tell? He may want stuff I have to sell,
 And in that case, then glad he'll be To spend his dollars all with me.
 The reason people pass one door • To patronize another store,
 Is not because the busier place • Has better silks, or gloves, or lace
 Or special prices, but it lies • In pleasant words and smiling eyes;
 The only difference, I believe, Is in the treatmnt folks receive!

We believe in Edgar Guest's grand philosophy of "GOOD BUSINESS" and use it as a guide to our relations and business dealings with the people of this community.
