NOTICE TO CONTRACTORS

Sealed proposals addressed to the City Water Commission, City Hall, Medford, Oregon, and endorsed "Proposal for Reservoir Construction", will be received at the office of the Commission at Medford, Oregon until 7:30 P.M., P.W.T., on the 31st day of May, 1945 and thereafter will be publicly opened and read.

The proposed work consists of the construction of an 8,200,000 gallon reinforced concrete reservoir to be located upon Capital Hill within the city limits of Medford, and adjacent to two existing embankment type reservoirs having capacities of 2,000,000 gallons each. The work also includes the installation of pipe lines, valves and a flow meter required to connect the proposed reservoir with the City water supply line and distribution system.

The principal items upon which bids are invited are:

1. Common Excavation, 7,000 cu. yds.
2. Rock Excavation, 18,600 cu. yds.
3. Reinforced Concrete, 1,820 cu. yds.
4. Installing 6" to 24" Cast Iron Pipe, 2,480 cu. yds.

Plans, Specifications, Instructions To Bidders and blank forms of Proposal and Contract may be seen at the office of the City Water Commission, Medford, Oregon, or at the office of the Consulting Engineers, John W. Cunningham & Associates, 1112 Spalding Building, Portland 4, Oregon.

Copies may be obtained upon the receipt of $10.00 or a check for $10.00 made payable to the Medford Water Commission. The deposit will be refunded in case a bonafide bid is submitted and the plans and specifications are returned in good condition. Otherwise the deposit will be retained.

All proposals must be on the regular blank forms furnished with the Specifications and must be accompanied by certified check payable to the Medford Water Commission in an amount equal to or exceeding five per cent (5%) of the total bid. A one hundred per cent (100%) corporate surety performance bond will be required to guarantee the faithful performance of the Contract. The successful bidder must also show evidence of adequate liability and property damage insurance.

The right is reserved to postpone making the award for a reasonable length of time or to reject any or all bids, for good and sufficient reasons, and to accept the proposal deemed in the best interest of the Commission, regardless of bid prices.
