

### COMPLETE REPORT OF HIGHWAY MEET TO C. OF C. BOARD

A complete report of the appearance of Jackson county and other delegates before the last meeting of the Oregon state highway commission relative to the designation of Highway 99 as the state's main inter-regional highway was made at the last meeting of the Chamber of Commerce board.

Main report was given by Ralph Koozer, Ashland, president of the Pacific Highway association. Koozer complimented the Chamber of Commerce for its splendid cooperation in gathering material for the brief presented the commission and Frank Van Dyke for his preparation of the brief.

Koozer stated that the 89 delegation had presented its material in an orderly and comprehensive manner and that delegation members felt encouraged over the outcome. He also told of a trip to Sacramento to attend a meeting of the highway board of that state and reported that subsequently the Californians had issued a statement in support of 99. Koozer said that no decision had been rendered by the Oregon commission but that their choice of roads must be made known to the federal roads bureau by July 1.

Reports on the Portland meeting were made also by Paul Rynning, Mayor C. A. Meecker, Frank Van Dyke and others.

Tom Gerety, chairman of the chamber's committee on mines, reported that the committee has on hand extensive reports concerning the county's mineral resources and that a study of state laws which might affect development of these is contemplated. Clarence Wintrout reported on recent meetings concerning improvement of a road into the Oregon Caves district from the Williams Creek area.

Mark Goldy and H. B. Murphy reported for the irrigation committee, Murphy telling of a recent trip to Washington, D. C., where he conferred with Senator Guy Cordon and Congressman Harris Ellsworth concerning the report of the reclamation bureau on the Rogue River irrigation survey.

Among visitors at the meeting were Judge J. B. Coleman of the county court and Reginald Stagg of the Junior Chamber of Commerce who has been appointed official representative to the board of the senior group.

### MILO ROSS WINS SPEAKING HONOR

The Toastmasters held their final speakers' contest Monday night. It was also Ladies' Night. The balloting resulted in first place going to Rev. Milo Ross, second place to Captain Martin and alternate to Pat Graham. The winners will go to Klamath Falls this coming Monday to compete against the K. Falls Toastmaster's Club winners. The final winners there will represent the Toastmasters at the Portland State contest to be held in June.

There will be no meeting of the Medford club this coming Monday night.

### State Guard Unit Starts Issuance Of Own Newspaper

Co. A, 1st Regiment, the Medford unit of the Oregon State Guard, recently began issue of a company paper which will be published semi-monthly. It is a mimeographed publication and carries editorial comment, jokes and other matters.

Typical of the articles is the following, "Why not drop in at the Medford Armory some Tuesday evening, mister, and take a 'look-see' at your own Medford state guard unit? The mess/Sgt. usually manages 'coffee and sinkers', and it's nothing like a cup of Sgt. Rookard's Java' to establish a bond between you and the men who are trying, in their small way, to do their duty... try it, mister, even if you only spray the hole in the last doughnut."

### LT. ALVIN GOULD, OUT OF HUN CAMP AND ON WAY HOME

Lt. Alvin A. Gould, former well known Medford student held a prisoner of the Germans since January 11, 1944 and among 9,000 prisoners released from a German camp at Barth on the Baltic, recently was taken to London by air on the first leg of his journey home according to an article in the May 15 issue of the Christian Science Monitor. Lt. Gould was a bombardier in the army air corps when shot down over Germany.

The officer was quoted in the article concerning the treatment of prisoners of war in Germany. Lt. Gould, who is a graduate of Medford high school, said, "The Germans gave us two slices of black bread and a dab of margarine for breakfast, a small bowl of watery soup for lunch, and two small potatoes and two turnips for supper. Occasionally we got a chunk of meat. The only thing that kept us alive," he said, "was our Red Cross packages."

Lt. Gould was a sports writer for Medford high school while a student here and later wrote for both the Medford Mail-Tribune and Medford News. He moved to Seattle shortly before induction into the army. His mother, Mrs. A. Hedlund, now resides at Oregon City.

### PLANS TAKE SHAPE FOR EAGLE POINT CARNIVAL

### LT. ROHRER TO GET DISCHARGE

Lt. and Mrs. George Rohrer arrived in Medford Saturday, from Carlsbad, N. Mex., where he has been an instructor for the past year. Lt. Rohrer is soon to receive an honorable discharge from the army air force. He wears the air medal and seven oak leaf clusters, E.T.O. ribbon and three battle stars, Pacific ribbon and battle star and the silver star.

Lt. Rohrer was at Pearl Harbor at the time of the treacherous Japanese attack and was later shot down over Greece, on Oct. 10, 1943. He was aided in his escape by the underground and spent some time with the British Military Mission, where he obtained valuable military information. He graduated from Medford high school with the class of 1939 and enlisted July 6, 1939.

Watch Out!

It isn't the Ritz but this mattress looks like a good night's sleep to a tired G.I. That's why the enemy hooked it up to a couple of pounds of explosive, made it a Booby Trap. But G.I.'s are too smart to touch it—they're taught to spot a Booby Trap a mile away!

Watch Out!

Of course, your engine won't blow up if you don't change to the proper grade of summer motor oil. But burn out a bearing and you're in sudden trouble. To protect all of your car's vital parts, play safe with Shelllubrication service at regular intervals.

## PLAY SAFE... Get a Safety Shelllubrication Today!

Wartime Stop-and-Go driving becomes even harder on your car as it gets older! Unseen parts—your steering assembly, braking system, battery, gears and many others—must be cared for constantly for safety's sake! Shelllubrication provides expert car care—an inspection and maintenance system developed by Shell Engineers and performed by experts.

Far from being a mere "grease job," Shelllubrication requires the use of many different types of lubricating equipment—different testing devices—various maintenance tools, and specialized Shell lubricants.

In giving your car a Shelllubrication job your Shell Dealer or Shell Service Station operator inspects danger spots—checks hidden "break-up" points as he works! And finally he gives you a record of service and a written report that gives you advance warning on possible "Booby Traps" in your car.
