## MARINE VETERAN WITH BOND BAND HERO OF SAIPAN

Sgt. William B. Field, Marine veteran who is coming to Medford next Monday with the Leatherneck Seventh War Loan entertainment troupe, won the Silver Star medal for heroism on the island of Saipan, a dispatch from the Marine barracks at Klamath Falls states. The Marine band, fast becoming famous in Oregon, is to play twice in Medford, plans having been made for a street concert at 4:30 p. m. and for an evening appearance at the Holly theater.

Sgt. Field "worked his way up to a hero" the story relates. He went into the Saipan invasion as a corporal in charge of one machine gun. As casualties began to mount in his unit, he gradually assumed more and more responsibility until he was in command of the platoon's six guns and received a spot promotion to sergeant. His outfit once stood off an attack by Japanese Imperial Marines, their best fighting troops, and the 24-year old Leatherneck emerged from the battle in charge of the whole platoon. For this he was promoted and recommended for the Silver Star.

Fields, whose home is in Hammond, Ind., spent two years in the Pacific and also fought at Guadalcanal, Tarawa and Tinian. He was wounded on Saipan but was never out of action.

The Marine troupe is being brought to Medford jointly by the Medford Elks lodge and the County War Finance committee.

# Slap the Jap!

**Get Your SERIES 'E' BOND TODAY!**

**Leverette INTERSTATE THEATRES**

May the eighth has now taken its rightful place as one of the most glorious days in American history. It has come to mean so much to all people that unless we in Jackson County who are now launching the SEVENTH WAR LOAN act quickly and with resourcefulness, we might find a public to be sold not only on a long bitter war with Japan, but a war against an almost equally insidious enemy—OVERCONFIDENCE.

Many people might forget the heart-breaking toll and back-breaking effort that made V-E Day possible, unless we take up the challenge of V-E Day and immediately destroy the germ of Overconfidence as the first step towards a total Victory over our Japanese enemies.

You have the weapons to war against Overconfidence. These weapons used with your "Grass Roots" knowledge will carry the Seventh War Loan to a successful conclusion.

And so on the eve of the greatest War Loan Drive in history, let us all do his part to Speed Total Victory.

Sincerely,  
WALTER H. LEVERETTE.
