SAVE THE SUGAR

That Goes On the Breakfast Cereal

The MEAT SHORTAGE

Meats really will be hard to get for some time, but your Groceries will do everything possible to keep you supplied, and with the high point value of butter—shortening—Cheese—oil and meats will try to make your points reach.

Take the point free mutton offered this week. It's young mutton — very good yet low in price and point free.

Every possible effort will be made to see that you have meat within range of the points you have—to have any point-free meats the O.P.A. regulations permit.

Watch our ads for point-saving recipes and other helps we may discover.
