LOGGERS TO PLAY MEDFORD TODAY; SCHEDULE DRAWN

The Medford Craters will play Butte Falls Loggers in a practice game at the Fairgrounds Park this afternoon, at 2:30. No admission charge will be made, Manager Paul Freer said, for the game which will give Medford fans a preview of the new Crater team.

Freer said Butte Falls had notified him that their uniforms had not yet arrived but, if it would be agreeable with the Craters, they would play the game regardless.

Plans for opening of the Southern Oregon baseball league were completed at a meeting held here Friday night. Ashland, under management of Frank Lindley, has replaced Gold Hill in the circuit, which will officially start June 10. Home-and-home games will be played which will carry the season through August 12, after which a Shaugnessy play-off will be held.

First half of the season schedule follows: June 10, Klamath Falls Marines at Medford; Butte Falls at Ashland; Central Point at Klamath Falls Navy, June 17, Medford at Butte Falls; Navy at Marines; Ashland at Central Point, June 24, Central Point at Medford; Marines at Butte Falls; Ashland at Navy, July 1, Butte Falls at Central Point; Medford at Navy; Ashland at Marines, July 8, Medford at Ashland; Navy at Butte Falls; Marines at Central Point. CLEVELAND WINS FROM YANKS 4-0 VIA HAYES HITS

New York, June 2.—(U.P.)—The Cleveland Indians, who began the season with little more than hope, may have traded themselves into a pennant-contending position, if today's 4 to 0 victory over the American league-leading New York Yankees may be taken at face value.

Frank Hayes, the iron-man catcher obtained from the Philadelphia Athletics last week in the season's most surprising swap, and Lambert Meyer, obtained early in the season from Detroit, played prominent parts in helping Pitcher Kileman win the game.

Hayes opened the second inning with a single, moved to third on a hit and a fielder's choice, and scored on Meyer's single through the box. Again in the ninth Hayes and Meyer collaborated to score, this time with some help from a third "trader" Don Ross, formerly of the Tigers.

Hayes walked and Seery, Ross, Rocco and Meyer singled in succession. These blows chased Bonham with his fourth straight defeat.

The second-place Detroit Tigers failed to take advantage of this Yankee slip, since they could do little more with Hausmann of the Boston Red Sox than New York could with Kileman. Hausmann hurled six-hit ball in a 5 to 1 victory.

The St. Louis Browns shut out Philadelphia for the second time in two days, Kramer was the winner by a 9 to 0 score, giving only four hits.

Rick Ferrell drove in four runs as Washington beat the Chicago White Sox, 8 to 1. In the National League, Pittsburgh topped the Philadelphia Phils, 7 to 6, despite Vince DiMaggio's grand slam homer. The winning run scored on an error by Hamner.

The Boston Braves nipped the Chicago Cubs in a 10-inning game, 5 to 4.

CLINGMAN SIGNED FOR ARMORY BOUT

Clingman, who now operates a restaurant in Eugene, recently embarked on a comeback campaign in which he has been successful in northwest rings.

Tex Hager, speedy little mustached muscle twister who has been seen here several times in the past, will also be on the card, Lillard said. Others who are expected to see action on the three-star bill are Georges Dusette, Paavo Katonen, Antone Leone and Kenny Ackles.

CENTRAL POINT STUDS PLAY GOLD HILL TODAY

Armed Services Have Fleet of 36 Hospital Ships

New York, (U.P.)—The American armed services now possess a fleet of 36 new hospital ships which offer facilities for approximately 22,000 patients. Converted luxury liners, Liberty ships, and former troop transports are included in the fleet.

The ships were made available to the Army and Navy by the Merchant Marine. In speaking of the Merchant Marine's part in building up the hospital fleet, Frank J. Taylor, president of the American Merchant Marine Institute, pointed out that in 1939 only one hospital ship was in service, and that it was fortunate that the vessels could be made available by the nation's shipping.

The average hospital ship has about 600 beds and is the equivalent of a seven to nine story hospital covering a small city block. Leading the fleet are three former world cruise liners, the President Buchanan, and the President Fillmore.

MERRICK POOL TO HELP RED CROSS SWIM CAMPAIGN

Use of the Merrick pool here has been obtained by the Red Cross for use in the swim campaign scheduled June 17 to 29. It had been previously planned to use only the Twin Plunges in Ashland. The additional pool was found necessary because of the large number registering for the courses, over 1,000 having already signified intention of attending.

Robert Dodge, Red Cross water safety chairman, also announced that Miss Eleanor Coombe, formerly of Ashland, has been secured as an additional instructor and will handle the Ashland area campaign. Miss Coombe has had extensive training in swimming and is head of the girls physical education at the Roosevelt school in Seattle. Mrs. Norma Stearns and Miss Doris Stough of Ashland are in charge of registration and the campaign in that city. More volunteers are needed there to aid in the work, Mr. Dodge said.

The combat swimming classes will be held in Medford and it is planned to bring in those throughout the county who wish to enroll. A Red Cross swimming instructor from San Francisco will be in charge of the entire program at the Merrick pool. Schedule of classes will be announced later.

Mrs. John Day, chairman of the Red Cross Staff Assistants' corps will be in charge of volunteers assisting at the Merrick Pool in registration, checking and supervision. Information may be obtained by calling the Red Cross office, 4405 or 3137. All qualified life savers or life guards are asked to offer their help immediately at the Red Cross office.
