

# VARIED PROJECTS OF 'Y' CARRIED OUT OVER WORLD

A wide variety of projects carried on by the Y.M.C.A. many virtually unknown to the average citizen in this country, are playing an important part in the allied march to victory according to Ben Schmidt, general

secretary of the Medford association. The Y.M.C.A. has sent enough athletic equipment to American war prisoners to equip every major college in the United States, has more pretty girls as service club hostesses than the entire population of Nevada and is the only agency serving China's fighting men, Schmidt declares. The "Y" has sent war prisoners thousands of musical instruments and enough books to cover the entire coast line of the state of Maine.

Expanding on the work of the association in China Mr. Schmidt said "Few indeed are the Americans who know that in China the fighting men of Generalissimo Chiang Kai Shek look only to the Y.M.C.A. for their recreation, educational and physical well-being. For Chinese troops, the Y.M.C.A. does everything from operating hospitals to running schools." Mr. Schmidt served the Chinese in similar ways during the Chinese Civil War of 1927 to 1931.

Other allies are served by the Y.M.C.A. he said, adding that American troops have been surprised to find the familiar red triangle emblem in unexpected corners of the world. When Gen.

MacArthur returned to the Philippines, he and his men found Filipino "Y" workers awaiting them. In Jerusalem, where the most beautiful Y.M.C.A. building in the world is located, a thousand American and British soldiers daily makes use of its facilities.

Figures about the service centers operated by the "Y" are astronomical in proportions. Schmidt said, pointing out that one center in San Diego alone cares for more than 28,000 service people daily. There are more volunteer workers serving the "Y" in its USO clubs than there were troops in the American army in 1939, he declares.

All this, Schmidt emphasized, is being carried on while the association continues its regular services on the home front. Here the "Y" has stepped up its service and has been a potent factor in stemming the tide of juvenile delinquency, the secretary says, and through its summer camps, athletic events, parties and social functions and sympathetic counsel the Y.M.C.A. has helped hundreds of thousands of young people live normal lives in abnormal times.

# SCOUT PATROLS HOLD CAMPOREE; COOKING THEME

Boy Scouts of the Medford district took advantage Saturday and Sunday of the only break in the weather in the past month and held a camporee on Carberry Creek, seven miles above Copper. Seventeen patrols from various troops in Medford, Central Point and Jacksonville took part in the camporee, theme of which was "cooking in the rough."

Carrying out this theme, the use of conventional cooking utensils was limited and insofar as possible, they were made of tin cans or other makeshift devices. Forks, plates, cups and spoons were handmade from materials available at the camp site and canned foods were taboo.

A commando game and a stalking game were features of the camp program, with the boys divided into two groups headed by "General" Scottie Rupp of

Notice of School Election Upon Question of Increasing Tax Levy Over Amount Limited by Section 11, Article XI, State Constitution  
Notice is hereby given that an election will be held in School District No. 100 of Jackson County, State of Oregon, at School House in said school district, for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the year 1945 over the amount limited by section 11, article XI, of the Constitution of Oregon.

The reasons for increasing such levy are:  
The amount which can be levied inside the 6% limitation is not sufficient to defray expenses of the school year.  
The amount of tax, in excess of the 6% limitation, proposed to be levied for said year is \$4,198.93.  
Dated this 24th day of May, 1945.

Attest: RUTH STOCKS, District Clerk, M. J. SWING, Chairman Board of Directors.

Central Point Troop 40 and Ted Huber of Medford Troop 3. Each patrol presented an entertaining stunt at the Saturday evening campfire and a non-denominational out-of-door church service was conducted on Sunday by the Rev. L. H. Mitchell, more of Jacksonville.

Scout officials state that a particularly large number of patrols showed superior camping ability and four were given an excellent rating by the camp directors, headed by Harold Yivinsaker, assistant Scout executive. These were the Panther and Beaver patrols of Troop 7 and the Wolf and Cobra patrols of Troop 8.

During the same period, camporees were also held by Scouts of the Ashland district and the northern Siskiyou district of the Crater Lake area council.
