

Ackles Gets Main Event Chance On Mat Tonight

Kenny Ackles vs. George Wagner.
Antone Leone vs. Georges Dusette.
Otis Clingman vs. Tex Hager.

Kenny Ackles, the Hollywood motion picture player who has been a professional wrestler a little over a year, will get a chance to make a good name for himself at Medford armory tonight when he tackles "Gorgeous" George Wagner, self-styled toast of the coast and former champion, in the six round main event.

If Ackles can beat the savage Wagner he will be able to name his own ticket in this part of the country. The film colony Adonis will rely on speed and a multitude of holds to beat off the brutal attacks of the Eugene turkey farmer.

Promoter Mack Lillard has slated a well-balanced card for the weekly program. The semi-windup, scheduled to go four rounds, will pit apish Antone against Georges Dusette, Pacific coast junior heavyweight champion. They met once before in the local tug emporium with each getting a fall. Leone, who stops at nothing to win a match and hates to get beaten, has been yelling for several weeks that he was "robbed" in his first match with Dusette and finally persuaded Lillard to rematch them.

The three round opener will be marked by the return of Otis

Clingman, a popular veteran who is in the midst of a come-back campaign. He will clash with small but rugged Tex Hager. They will go to the mat at 8:30.

SOFTBALL LOOP STARTS TUESDAY

The Medford Softball Association league will start at 7:45 p. m., Tuesday with a double header, weather permitting, according to a decision reached at the final meeting of the association held at the Jackson county chamber of commerce last night. Games will be played each Tuesday and Friday night, beginning at 7:45 with a double header. League play will run through July 27 after which a Shaughnessy play-off will be held.

The opening game Tuesday night pits Jennings' Tire Shop against Silver Dollar Grill and Camp White will face Ordance Service in the other half of the double header.

Friday, June 15, Al Piche plays Junior Chamber of Commerce in the first game and Littrell Parts clashes with State Guard in the other game.

There will be a total of 14 nights of league play. Any game which is postponed by weather will be played off at direction of Bob Ebel, league president.

BOWLING

Headquarters Section enlisted men defeated the Military Police in the finals of the Camp White bowling league held at the army post last night. Total pins were 2,347 to 2,142. High individual games were rolled by Sgt. Bernie Krug, Headquarters Section, and T/Sgt. Don Nicholson, M.P.

Those making up the winning team were Mahr, Schfick, Ritze, Krug and Safford. Wolf, Twilling, Kimball, Snead and Nicholson made up the Military Police quintet.

Two-thirds of the 42 Pennsylvania police chiefs polled in a recent survey prefer the two-man patrol rather than the one-man patrol car for police duty.

TROUBLE FLARES IN ACORN CLUB; BEAVERS DIVIDE

The Oakland Acorns, who only a few weeks ago appeared to be the best balanced club in the Pacific Coast League, are now having troubles on and off the field.

Manager Dolph Camilli is on the pan for alleged inferior judgment in handling of his pitchers and for not sticking himself into the lineup at first base; Outfielder Frank Hawkins, the leading hitter, is riding the bench until Friday because of profane language, and some of the pitchers who were supposed to be reliable have been cousins to the weakest batsmen in the circuit.

The Oaks took their second straight licking from Sacramento last night, 11 to 1, to drop six and one-half games off the pace in third place.

The second-place Seattle Rainiers battered San Francisco, 8 to 4. Hal Turpin got off to a poor start, allowing the Seals two runs on three hits in the third inning, but his teammates jumped on Ken Brondell for four markers in the fourth and the same number in the eighth.

Portland maintained its three-game lead by dividing a twin bill with Los Angeles. The Beavers pounded out a 15-2 victory in the opener but the Angels took the nightcap, 2-1, when Mel Hicks drove a round-tripper over the rightfield wall.

The tailend Hollywood Stars went 14 innings to stop San Diego, 3 to 2.

NEVADA DIVORCE DECREE TESTED

Portland, Ore., June 7—(U.P.)—A test suit to determine the legality of a Nevada divorce in Oregon courts was filed today by Anna Kelley of Portland, who seeks legal separation without a divorce from her husband, Emery B. Kelley.

The suit questions a default divorce decree granted to Kelley in Reno on April 17. The decision may have an important bearing in view of the recent United States Supreme Court decision that Nevada divorces may or may not be legal in other states, depending on the ruling of the state courts.

The complaint alleged that Kelley was a legal resident of Oregon at the time of the Reno decree and not a Nevada bona fide resident. She asks that the Reno decree be ruled null and void.

phoneaide; Virgil Conner, mobile, and Fred Stevens, power-line troubleshooter for Copco.

Persons interested in joining the protective organization should telephone Miss Builderback, 5488, evenings, or get in touch with one of the officers, the announcement said.

CRATERS TO PLAY GOLD HILL TEAM

The Medford Craters will play Gold Hill in a practice baseball game at the Fairgrounds park Sunday. Manager Paul Freer said today. The Craters were slated to play Klamath Falls Marines in the Southern Oregon league opener Sunday but the Marines had previously been booked to play Fairfield-Suisan Army Airbase at that time and asked postponement of the game. It will be made up at a later date, Freer said.

Butte Falls and Ashland play a league tilt at Ashland Sunday and Central Point travels to Klamath Falls Navy, also a league game.
