

JACKSON COUNTY FARM NOTES

Compiled by County Office O. S. C. Extension Service

Poultry Meeting Stated June 12

A demonstration of poultry culling and debanking to prevent cannibalism will be held at the farm of Lawrence Luy in Griffin Creek, Tuesday afternoon, June 12. N. L. Bennion, poultry specialist, Oregon State college, will conduct the demonstration. All poultrymen are invited to attend this meeting beginning at 2 o'clock, Tuesday afternoon.

Seed Certification Applications Filed

Applications covering about 1,000 acres of ladino clover for field certification have been filed in the county agents office to date. This is only part of the acreage that is likely to be certified and all ladino growers wishing certification should apply at once.

Farm Transportation Rules Changed

After June 30 applications for farm trucks and truck gasoline will not be filed in the county office. Farmers will have to apply directly to local or state ODT and OPA offices after that date. AAA committee authorization for conversion of tractors and other farm implements from steel to rubber will be terminated also.

4-H Clubbers Have Scholarship Contest

Oregon 4-H club members have until July 1 to enter the \$6,000 scholarship contest of the National Junior Vegetable Growers association, according to H. C. Seymour, state club leader and chairman of the national contest for the western states.

Recent unseasonable weather emphasized one of the goals of the contest, Seymour points out.

That is adding to the nation's food supplies for the home, for other civilians and for the armed forces. City, suburban and farm 4-H gardeners are eligible for the contest, whether their gardens are 20 by 30 feet or are commercial acreages. A course of study emphasizing efficient production and marketing is sent to each club boy or girl entering the contest.

Prizes include \$100 war bonds to each of 33 sectional winners, \$200 scholarships to each of four regional championships and \$500 scholarship to the national cham-

tion. Entries may be sent to Prof. Grant B. Snyder, Junior growers adult advisor, 103 French hall, Massachusetts State college, Amherst, Mass.

EARLE JOSSY, County Club Agent.

Spreader In Spray Mixture

Some growers are experiencing difficulty in obtaining a good spray mixture. Whenever the suction screen clogs up with lead or parts of sprayed trees appear whitewashed, the mixture is not proper. Generally the trouble is caused by too much spreader. Wherever this trouble occurs the amount of trifluor or colloidal 77 should be reduced to about two ounces per 100 gallons. This amounts to a half pound to a 300 or 400 gallon tank.

VERNON NYGAARD GETS AWARD FOR HEROIC SERVICE

Vernon D. Nygaard, technician fourth grade in the 96th Infantry Division, has been awarded the bronze star medal for heroic service on Okinawa island and a copy of the citation has been received by his wife, who resides in Medford at 214 Stark street. Sgt. Nygaard, with the division band, has been overseas since last August.

Sgt. Nygaard's citation reads: "For heroic service in connection with military operations against the enemy in the vicinity of Futema, Okinawa Island, April 12. While under heavy night barrage of enemy artillery, Technician Nygaard left his covered position and with utter disregard for his own safety went, with two other men, to the immediate aid of a man who had been seriously wounded by shrapnel from a tree burst. Having administered first aid, Nygaard, still under fire, then assisted in evacuating the man to a hospital. Sgt. Nygaard's exemplary action and devotion to duty are in keeping with the highest traditions of the military service."

Mrs. Nygaard makes her home with her parents, Mr. and Mrs. C. J. Meisenholder.

CPL. JAMES FRY GETS DISCHARGE

Cpl. James F. Fry was given an honorable discharge from the army June 3 and is now in Medford with Mrs. Fry and their son. Tomorrow the family will go to Eugene where the former serviceman has accepted employment.

Fry served in the air corps for 33 months and spent 27 months in the CBI theater, arriving back in this country April 9. He holds the Southwest Asiatic ribbon with one campaign star, the good conduct medal, the distinguished flying cross with two clusters, the air medal with three clusters, the purple heart, the Burma-India zone clasp, the driver-mechanic's medal and a sharpshooter's badge.

Mrs. Fry has made her home in Medford with her parents, Mr. and Mrs. W. P. Gammill, 118 Willamette avenue, while her husband was overseas.

REOPENING SERVICE AT CHURCH OF GOD SUNDAY

A special reopening service will be held Sunday at 3 p.m. at the Church of God which has been repaired and redecorated following a recent fire. The Rev. Walter Greer, pastor of the Church of God at Coquille is to be guest speaker and Medford ministers will also participate in the program. The public is invited to attend the service.

CIRCUS ARRIVES WITH TOP STARS FOR DUAL SHOW

The big Russell Brothers Pan-Pacific circus, with its train of double-length steel railroad cars, rolled into Medford this morning for a matinee and evening performance at the circus grounds, South Central and Riverside avenues. The afternoon show was slated to get underway at 2:30 with tonight's performance set at 8 o'clock. Doors will open an hour earlier to permit inspection of the menagerie.

A huge herd of performing elephants, in new routines and maneuvers, along with colorful horses and other animals will also take part in the gala performance.

SOME PEAR ORCHARDS ARE DAMAGED BY HAIL

County Agent Robert G. Fowler reported today a survey showed pear orchards in the airport district had sustained some damage from hail late last Monday. The hail was limited in area, Fowler said. Another report said hail fell in hills back of Jacksonville and on the Old Stage road, and did some damage to gardens.

The county agent said the recent rains had delayed hay cutting in the valley, and other crop work, and a sunny spell was needed.
