**\$5.98**

Second Floor

We still know quite a few men who labor (and sweat) with the idea that all summer suits are mussed! But for practical pleasant proof that they're wrong—we'd like to have them look at their friends wearing Michaels-Stern Rochester-tailored 100% wool tropical worsteds. The same careful hand-needled care that has distinguished Michaels-Stern winter weight suits goes into these handsome 22-ounces-lighter tropicals.

Michaels-Stern Tropical Worsteds

**MOST STYLES \$29.50**

# COATS

For Summer Wear

Your Summer Coat should come from Mann's, for here are light weight Wool Fleeces, Twilled Flannels and other popular Summer weight coatings. Superbly tailored in comfortable straight lines. Lovely summertime colors to harmonize or contrast your other garments. See these coats tomorrow at Mann's.
