

Navy, Butte Falls Win; Craters Beat Gold Hill

The Southern Oregon Baseball league opened yesterday with the Navy taking a 10 to 0 win over Central Point at Klamath Falls and Butte Falls winning a 15 to 11 slugfest over Ashland. Medford had their game with

the Klamath Falls Marines postponed and played Gold Hill here, taking a 7 to 3 decision.

Central Point was considerably affected by the soft field. Manager Bill Askwith said, but managed to hold the powerful Navy nine to eight hits while collecting five themselves, going into the eighth frame. Five Central Point errors came at critical times and were costly to the Studders.

Ashland, newest entrant into the loop, showed lack of practice and experience in losing to the improved Butte Falls unit. The Loggers blasted two Ashland hurlers for 18 hits and were aided by six Lithian errors. Thomas, Butte Falls catcher, got a home run, the only circuit clout of the day. Webster, Logger pitcher, hit safely four times out of five trips to the plate.

Ashland batting honors went to Jones, second baseman and pitcher, with four hits out of six tries and to Larson, catcher, who hit two for three.

Medford collected eight hits off two Gold Hill chuckers in gaining the victory while three Medford hurlers were touched for five blows. George Barr started on the mound for Medford and gave up three hits and allowed one run before he was relieved at end of the fifth inning. John Reedy took over Barr's duties and gave up two hits and one run in three innings. Red Davis, working the final frame, allowed two Gold Hill men to reach base but failed to allow a hit or run. The Craters' heaviest hitter of

the day was Reedy who gathered three blows out of five times up.

MAYOR, WAR BOND HEAD WILL START TEN PIN TOURNAY

Mayor C. A. Meeke and Chairman George Frey, of the Seventh war loan drive, will open Medford's bond bowling tournament tonight by rolling the first mineralite down the lanes of the Medford Bowling Alley, according to Hugh Jennings, owner of the alleys.

Immediately after the Mayor and the war loan chairman start the festivities, the women will take over the alleys at 7:30 p.m. in the opening games with bonds and war stamps as prizes to the winners.

Helen Riggs, chairman of the women's bowling committee, released the entry list showing Audrey Swope, Rose Barr, Jimmie Pruitt, Mary Lou Niedermeyer, Zola Sims, Helen Riggs, Thomasine Smith, Blanche Frisbie, Billie Simmons, Fyrne Colton, Sis Sample, Eleanor Nordstrom, Bunny Tollefson, Lois Zunderweg, Wanda Hood, Viola Corby, Dorothy Dola and Grace Grames. As entries do not close until bowling time, additional contestants are expected.

The men's division will swing into action at 9 o'clock and take their shots at the sizeable bond and stamp prize distribution. As entries will be received up to starting time, the men's division promises to have the largest number of contestants ever competing in a handicap tournament of this kind since the alleys were established, Jennings said.

When Will Japan Surrender

Babson's Forecast on Germany Was Correct

By Roger W. Babson
Babson Park, Mass., June 8.—(Special Correspondence.) May I start by calling attention to the definite statements made in my Annual Forecast of December 28, 1944 in which I said:

"The greater part of Germany's army will collapse before the German planting season opens in the spring of 1945."

"Japan will not hold out so long as most people think. Japan will collapse within six or twelve months after Germany collapses."

"If Stalin's health continues, he will be the world's most powerful man in 1945 and may dictate the peace terms, especially for the Pacific."

Few Optimistic At Close of Last Year

I am especially proud of the above forecast in view of the conditions under which it was written. Readers will remember that last summer the public were very hopeful and looked for the collapse of Germany at any time; but I said that there would be no collapse in 1944. Then the Germans started their famous bulge in the middle of December and Washington was very much disturbed in fact, a study of newspaper clippings will show that I was almost the only columnist who was optimistic at the close of last year. But I knew the German temperament.

I have been in Japan since Germany declared war upon us and still have an agent in Shanghai. I, further, have always been interested in American missions in both Japan and China. I, however, am basing my present forecast upon something else which may seem very unimportant to many readers. I refer to the fact that my personal house-servant is Japanese, born near Tokyo. He has lived with us day-and-night for twenty years and was preceded by a cousin who was with us for seven years. Hence, I know the Japanese temperament.

Most Japanese Have Human Characteristic

It is true that certain Japanese who descended from a famous old Prince have the "hari kiri" religion. These few will commit suicide rather than surrender. They now serve as human bombs. They, however, make up but a small portion of the Japanese people who, as a whole, are human like ourselves actuated by the same motives. A Japanese soldier will live on very little food. This he can carry on his back. They are tough physical specimens. Hence, it costs the Japanese only 20% to support their army of what it costs us to support an American army. But what of this? Japan has less than 20% of our resources.

Japanese soldiers will fearlessly obey orders and follow a blueprint; but when something which they have not planned for happens, they are lost. As a nation, they are wonderful copyists, but they lack originality. They had every movement of this war planned and charted before Pearl Harbor. Everything went according to plan in connection with Thailand, Indo-China, Burma, the Dutch East Indies and the Philippines. Then something happened to their blueprint!

During the past year their plans have been of no use and they have suffered accordingly. In my own household, I can give a wonderful banquet for twenty people if I give my Jap a week

bludgeon and hit him some more. After that he said Durocher hit him on the jaw "with a left hook."

success; but cannot stand failure. Hence, I feel certain that their collapse will be only a question of months.

Global War Will End Before Most Expect

All the above means that the global war will be over before most people expect it. It will be over before all the boys in Europe have a chance to get to the Pacific. Except in special departments, the casualties will be light. Most of the boys may be home before Christmas.

The above means that re-conversion will steadily continue throughout the year and some time during next year we will be going full-blast on consumer production. A few excellent years of business with higher stock prices should follow. Furthermore, if we play fair with Russia, Joseph Stalin should be one of our best friends so long as he lives. Upon his death, it is very possible that Russia will be split up or suffer civil revolution. Then she surely need not be a menace to the British Empire, to China or to ourselves.

PORTLAND DROPS DOUBLE HEADER TO LOS ANGELES

By United Press

The Pacific Coast league baseball race leveled off over the week-end and hopes sprang anew in the also-rans as the Portland Beavers dropped a Sunday twin bill and the second-place Seattle Rainiers won a pair to climb within two and one-half games of the pacesetters.

The league tightened up from top to bottom, with the generally trampled Hollywood Stars taking a pair from San Diego, 6-3 and 2-0 and winning the series, five games to two—the most decisive week-long record the Stars have been able to catalog this season.

The Beavers lost by scores of 6-5 and 5-1 to the Angels but won the series, 4-3; Seattle won from San Francisco, 9-5 and 5-0 to annex the series 4-3; and Sacramento won both games from Oakland, 11-8 and 9-8 to take a 5-2 engagement.

This week the teams shift to the home-sites of "natural" enemies, with Seattle invading Portland; Oakland entertaining San Francisco; San Diego in Sacramento and Los Angeles at Hollywood.

They'll long remember this year of our 100th birthday

TO MORE than a million and a half young couples, 1945 will be warmly remembered as "the year we were married."

It takes, perhaps, a little more courage and faith than usual to start married life in this eventful year.

But American families have always evidenced ample reserves of courage and faith. And we like to feel that during its 100 years, the New York Life Insurance Company has contributed to the courage and faith of many of those families by helping them to provide for their security.

In the years ahead, New York Life's 100 years of experience and stability will continue to help build a better future for many of this year's new American families... and for many more families to come.

DUROCHER HELD FOR ATTACK ON DODGER HECKLER

New York, June 11 — (U.P.)—Stormy Leo Durocher's immediate future as manager of the Dodgers rested today upon the reaction of (1) the Kings County Felony Court, (2) Dodger Boss Branch Rickey, and (3) the Brooklyn fans to his alleged attack upon a grandstand critic, Saturday night.

Durocher denied that he and Special Policeman Joseph Moore, attacked the fan, ex-soldier John Christian, 21. Durocher is to be arraigned today in Brooklyn Felony Court.

Jaw Broken
Christian, who suffered a broken jaw, black eye, and cuts and bruises on his head and face, is in Kings County Hospital. He identified Durocher and Moore as his assailants shortly before yesterday's double header with Philadelphia. Both were taken to a police station and held on charges of felonious assault until they obtained \$1000 bail.

Christian, 21-year-old ex-Brooklyn all-scholastic football star, said he went to the game against the Phillies Saturday night and sat in the upper grandstand behind the home team dugout near third base.

Heckled Durocher
He said he heckled Durocher through most of the game, calling him a "bum" and a "crook" and accusing him of "trying to steal the ball game." He said his remarks were no more vociferous or pointed than those of other fans.

After the seventh inning, he said, Moore came to his seat and said, "You're wanted in the office."

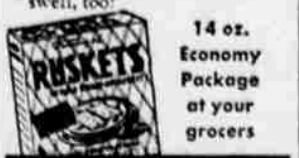

The 200-pound, six-foot Christian said he refused to go and that Moore then dragged him down the steps. Durocher was waiting under the grandstand, he said.

According to Christian, Moore struck him with a blunt instrument and Durocher grabbed the

New Analgesic Tablet now released to public

Thousands find it gives quicker, safe relief from headache—from pains of sinus, neuritis, neuralgia and arthritis

FOR MANY YEARS aspirin has been accepted by both the medical profession and the public as a safe, sure way to relieve pain.

But many people who had complete confidence in aspirin did not find it gave as quick relief from blinding, maddening pain as they hoped for. Hence in desperation they sometimes turned to other remedies less well proved.

To meet this situation a group of medical research men set out to see what could be done to speed up the analgesic or "pain-killing" action of aspirin—to make it bring their patients quicker relief, without heart or stomach upset.

Out of these researches came a really new kind of analgesic tablet, a combination of aspirin and calcium glutamate. In this new tablet, aspirin does its old, safe job of relieving pain. But through its combination with calcium glutamate, extensive testing by physicians showed it gave most people both quicker relief and greater relief from pain.

After this extensive testing and use by members of the medical profession as a prescription remedy, this new analgesic tablet has now been released for non-prescription sale by every druggist. It is called Superin (from super-aspirin). You can get its blessed, quick relief from pain by asking your druggist for a bottle today—30 tablets for 35c. Ask for Superin-Superin.
