

Double-Header To Open Softball League Tonight

A double-header, with the first game called for 7:45 p. m. promptly, will kick-off the Medford Softball association's season at the high school diamond tonight. Medford high school band has been secured to furnish music tonight.

Going to the post first will be Jennings Tire Shop, who is scheduled to play the Silver Dollar Grill in the opening game. Second clash of the double bill will pit Camp White against Ordnance Service Command Shop. All games are slated for seven innings.

Friday night Al Piche meets Junior Chamber of Commerce and Littrell Paris will clash with State Guard.

Team managers have deposited \$15 with League President Bob Ebel to guarantee completion of the season and to underwrite ex-

pense of the league if gate receipts fail to pay the bills.

Each team must file a roster of not more than 15 players with Secretary Piche before game time of the opening week. After competing in one game a player will not be allowed to change teams without first securing a written release from his team manager.

Children under 12 years of age and men and women of the armed forces, in uniform, will be admitted free. There will be a small admission charge for others.

E. H. Hedrick, city superintendent of schools, is cooperating with the association in sponsoring the league. Lighting, upkeep, field manager, field police, clean-up man and other accommodations are provided by Hedrick's office, it was stated.

Regular season play will be concluded July 27, after which each team has played the other once. A Shaughnessy play-off will start July 31 and be completed Aug. 3 when the championship and consolation games are played.

Since Pearl Harbor, cotton farmers have supplied more than 655 million pounds of cotton lint for smokeless powder.

THOUSANDS EAT THIS CEREAL TO HELP KEEP UP BLOOD'S IRON LEVEL

DONOR OF 9 PINTS OF BLOOD

If healthy, why don't you donate blood?
Mrs. Elsie Carl, 5024 Woodlawn Avenue, Chicago, Ill., has given 9 pints—has been donating regularly since Pearl Harbor. Such patriotic men and women, everywhere, can tell you that anyone in good health can give blood. The fluid part of the blood is restored in a few hours. Maintaining the body's proper iron level helps to replenish your good red blood.

DR. PASKE WINS KEGLER TOURNEY; JAMISON SECOND

Putting together a string of five strikes in the last game, Dr. C. H. Paske had little trouble winning the Seventh War Loan bowling tournament last night at Medford alleys. The dentist's final 231 count gave him a total of 831 for four games. Howard Jamison finished in second place, 40 pins behind the leader. Art Klatt and Earl Sims had a ding-dong battle for third honors, with Klatt coming through one pin the better on his 776 score. First three awards were war bonds, while Sims converted his stamp winnings into a bond.

Lois Zuderweg far outdistanced the field in the women's division, her 826 total being 112 pins better than Helen Riggs and Mary Lou Niedermeyer, who finished in a tie for second with 714. Stamp awards were the prizes for the winners, with Miss Zuderweg adding cash to her winnings to make the purchase of another bond.

Mayor C. A. Meeker was aided by George T. Frey in opening the tournament, with the mayor throwing the first ball. Both the Mayor and head of the local war loan committee gave the bowling fraternity a good send off in short bond rallying talks immediately preceding the tournament.

DOUBLE BILL ON WRESTLING CARD

Promoter Mack Lillard has signed a double main event for next Thursday night's Medford armory wrestling card, he announced today. Kenny Ackles, who further endeared himself to armory fans by beating George Wagner last week, will face tough Antone Leone in one-half of the twin bill while Wagner will clash with Coast Champion George Dusette in the other half. They will toss a coin to determine which match goes on first.

Paavo Katonen, flashy south-paw Finn, will go against veteran Otis Clingman in the three round opener. Clingman, who moved his comeback tour to southern Oregon last week, showed he still has plenty of wrestling ability and figures to give the popular Katonen plenty of trouble.

One-ounce dish of **KELLOGG'S All-Bran** gives over 1/3 of your daily minimum iron needs

Your intake of iron is too important to your well-being and vitality to be left to chance. For this important mineral is essential in making good red blood to replace the blood your body wears out.

The best place to get iron is in foods. But not many foods are rich in available iron. In fact, it is not easy to get an abundance of this important mineral in the ordinary diet. Thus, your iron intake can get low without your knowing it.

Fortunately, there is an everyday cereal that is a rich, inexpensive source of readily assimilable iron. It's **ALL-BRAN**, made by the Kellogg folks of Battle Creek. Ounce for ounce, this famous cereal gives you 50% more iron than calves' liver.

In addition, this toasty nut-brown cereal is an important source of calcium, phosphorus and essential vitamins. That's because **ALL-BRAN** is made from the vital outer layers of finest wheat.

KELLOGG'S All-Bran is made from the **VITAL OUTER LAYERS** of finest wheat. Nature makes a habit of storing the larger share of protective food elements in the skin of the potato and the peel of the apple. Into the vital outer layers of wheat, too, Nature packs some of the grain's most important nutrients. **ALL-BRAN** is made of these vital outer layers, and is more abundant in many food elements than whole wheat itself.

America's Great Regulating Cereal
Besides being a storehouse of iron and other important food elements, delicious **KELLOGG'S ALL-BRAN** is a great natural regulating cereal. Millions of people eat it regularly. One ounce eaten daily is usually adequate for satisfactory laxation. **ALL-BRAN**, which is triple-milled for golden softness, does not interfere with normal digestion.

Be sure your family gets adequate amounts of iron and other important food elements. Serve **KELLOGG'S ALL-BRAN** regularly, starting today.

COAST FOOTBALL SCHEDULE TAKING SHAPE FOR FALL

Spokane, Wash., June 12—(U.P.) Coaches, athletic managers and faculty representatives of western colleges met in joint session today to approve a 1945 coast conference football schedule, which will include eight of the conference's 10 members.

Adoption of the fall schedule was to mark the first real step toward resumption of conference football after a two-year wartime layoff by six of the 10 member colleges. Only California, Southern California, Washington and the University of California at Los Angeles have maintained teams throughout the war.

Representatives of the University of Montana and Stanford announced definitely last night that they will not attempt to field eleven next fall. The other colleges probably were to be split between northern and southern divisions, each with a separate schedule.

BASEBALL GAMES RESUME TONIGHT

By United Press
The wide-open battle for first-division berths in the Pacific Coast Baseball League resumes tonight on two diamonds, while on two others the lights will be dark until Wednesday.

San Francisco and Oakland renew their feud on the Oak's home lot, while the San Diego Padres tackle the hot Sacramento Solons in the Capital City.

Seattle invades the lair of the league-leading Portland Beavers Wednesday, while the up-and-coming Los Angeles Angels tackle the recently revived Hollywood Stars at Gilmore Field.

Baseball filiberts who have been predicting that the Portland team was about to "crack" for the last five weeks, may get their prediction fulfilled this week when the Beavers take on Manager Bill Skiff's heavy-hitting Rainiers.

Supersonic Whistle Designed To Repel Spokane's Pigeons

Spokane, Wash., June 12—(U.P.) A "supersonic" whistle, described as producing an eerie sound a pigeon simply can not stand, was Spokane county's only hope today of keeping its courthouse clean.

Now being built, the pigeon whistle is expected to drive away 1,500 pigeons which have made a mess of the courthouse, sadly in need of a cleaning job.

Electronic Control Engineer Lee Klos, readying the sound assault on pigeonhood here, said the device "will drive the pigeons crazy" but he added the birds will get the bird while humans won't hear the whistle at all.

"The tunation of frequency is about four times as high as human ear perception," Klos explained.

One experiment failed. When Klos plugged in his whistle, all the neighborhood dogs howled and all the cats lit out for home. The pigeons didn't flutter a feather.

BOWLING

Dr. C. H. Paske and Jimmie Pruitt took first place in the mixed doubles weekly play at Medford Bowling alleys. They rolled a total of 1,076 pins to win the honors. Wilsie Pruitt and Helen Riggs were second with a total of 1,068 and Howard Swanson and Vic Corby totaled 1,046 for third place.

HOOP, JR., FAVORED

Baltimore, June 12—(U.P.) Kentucky derby winner, Hoop, Jr., shipping well in the overnight train trip from Louisville, was ready to begin light workouts today in preparation for Saturday's running of the mile and a three-sixteenths Preakness classic in which he is a heavy favorite.

FAUSETT HONORED

Los Angeles, June 12—(U.P.) The Helms Athletic Foundation today chose Robert S. (Buck) Fausett, manager and third baseman of the Hollywood Stars baseball team, as southern California athlete of the month for May.

Closing time for Sunday Too Late to Classify 5:30 Saturday afternoon—Please remember.

Scion of Wealth Admits Robbing Home of Friend

Hollywood, June 12—(U.P.)—Allen T. Sturges, II, 24, scion of a wealthy eastern family, pleaded guilty today to robbing the home of a friend, Actor Bruce Cabot, of \$1500 worth of jewelry last March.

His white-haired mother, Mrs. Allen T. Sturges, who flew here from her New York home, sat in the rear of the courtroom, gazing sternly as her son entered the guilty plea before Superior Judge Clement D. Nye.

Since his arrest several months ago, the husky youth has been held in county jail as his family declined to furnish \$10,000 bail. When arrested, Sturges blamed his troubles on his inability to get along on his \$100 weekly allowance.

Hopkins Bypasses General De Gaulle

London, June 12—(U.P.)—Paris dispatches said Harry L. Hopkins left suddenly for Washington today without seeing Gen. Charles De Gaulle.

First reports of Hopkins' departure from Paris lacked an explanation of the failure of President Truman's special envoy to meet De Gaulle. Earlier accounts said they were scheduled to confer in Paris and probably would take up the Levant problem.

Coast League idle.

COCHRANE WINS

Atlanta, Ga., June 12—(U.P.)—Freddie (Red) Cochrane, world welterweight champion, boasted a record of four knockout victories in the last 11 days today after picking up another last night by knocking out Eddie Miller in the second round.

BIRTH DECLINE SEEN IN STATE

A total of 7,535 births in Oregon for the first months of 1945 has been reported by the Vital Statistics Division of the Oregon State Board of Health, an article appearing in this month's issue of the Oregon State Bulletin states. Births during the same months of 1944 totaled 7,840, which represents a decline this year of 3.9 per cent.

The decline in deaths is 7.9 per cent with 4,213 reported in 1945, as compared with 4,572 in the corresponding months of last year.

Births in April totaled 1,928, a decline of only .02 per cent from the 1,932 in April, 1944. Deaths in April were 8.4 per cent below those of April of last year—there being 896 this year and 1,087 in 1944.

The number of births for every death for the first months of this year was 1.79. Ratio for the corresponding months of 1944 was 1.71. The ratio of 1.86 for the entire year of 1944 was one of the highest on the state's history.

These figures do not include vital events involving persons who are not Oregon residents.

Jersey Cattle Show Slated at G. Pass Friday

Grants Pass, June 12—The first annual Jersey Cattle show will be held at the Josephine county fairgrounds on Friday, June 15, according to plans announced today by George R. Riddle, president of the Rogue River Jersey Cattle club.

Eighteen classes of pure-bred Jerseys and five classes for 4-H club and FFA members will be judged by O. K. Beals, former county agent here. Judging will

begin at 10:30 a. m., Mr. Riddle said. Ribbons will be awarded to winners in their classes, with some special prizes being offered in the 4-H club groups. No entry fee is being charged those showing cattle.

Among special features of the club show is the showing of second highest producer in the United States, Ton of Gold. The cow has produced more than one and one-half tons of butter fat in

four years. Her butter fat for one year is sufficient to make 900 pounds of butter or enough for 60 people. This amount would require 21,600 red ration points on the market, Mr. Riddle pointed out.

EVERY REASON SAYS— "VOTE YES!"

On June 22, every voter in Oregon is asked to go to the polls and register a YES which will give clearance to a \$10,000,000 State Building Fund to provide needed education and State building remodeling and expansion of facilities.

This fund is already on hand and does not mean additional taxes but under the law it is necessary that its use for this purpose be approved by the voters. It is the duty of the State of Oregon and its citizens to provide these facilities and it is our individual duty as citizens to provide the funds.

Don't Drive a Booby Trap!

Watch Out!
Pretty fancy 'phone, isn't it?—not like the ones back home! That's why the Japs wired it to a mine, made it into a Booby Trap. But American soldiers don't fall for it—they've been taught to spot Booby Traps and avoid them.

Watch Out!
Lacking proper lubricants, your transmission and differential gears can chip or score—cause you plenty of sudden trouble. That's why these important points are included in Shell's check-up of vital parts during Shelllubrication. Let this service protect you.

PLAY SAFE... Get a Safety Shelllubrication Today!

Shelllubrication is a scientific answer to the damaging effects of Wartime Stop-and-Go driving on your car. It's a system of inspection and maintenance developed by Shell Engineers—performed by Shell Dealers and Shell service stations.

In giving your car Shelllubrication service the operator inspects hidden danger spots—checks possible "break-up" points as he works! And he gives you a record of service performed, plus a report on the conditions he finds at various vital spots where continued neglect could create a dangerous and expensive Booby Trap.
