

# Billy Raimondi Replaces Camilli As Oaks Manager

By United Press  
Manager Billy Raimondi got off to a flying start as manager of the Oakland Acons last night as the Oaks nosed out the San

Francisco Seals 3-2 in the Pacific Coast League feature contest.

Raimondi, who took over the reins from Dolph Camilli, collected two singles in two trips to the plate. In all the Oaks collected eight hits off Frank Seward and Tony Buzolich to give Red Mann his sixth victory.

As Seattle and Portland idled, Manager Buck Fausett of the Hollywood Stars drove in the 11th inning run that gave the Twinks a 5-4 victory over the Los Angeles Angels. Fausett crashed through with a single to center field in his first trip to the plate since he pulled some rib muscles two weeks ago.

The Sacramento Solons dropped to fourth place in losing a 5-4 decision to the San Diego Padres, who notched their winning run in the second on Jack Dunphy's single, a sacrifice by Tony Criscola and a double by Lou Vesslich.

Meantime, General Manager Vic Devincenti of the Acons acknowledged that "pressure was brought to bear" in the so-called resignation of Camilli.

# SINGLER HURLS ONE-HITTER IN SOFTBALL LOOP

With two men out in the last inning, Ray Singler, on the mound for Jennings Tire Shop, gave up his only hit of the game to Fasel, second baseman for Silver Dollar Grill, to spoil a perfect no-hitter in the first game of the Medford Softball league at the high school field last night. After reaching first base, Fasel led off and was called out, retiring the side and giving Jennings a 7 to 0 victory.

In the other half of the double header Camp White won a free-hitting tilt from Ordnance Shop, 10 to 8.

**Singler Fans Ten**  
Singler had the Silver Dollar batters where he wanted them throughout the game, striking out 10 and issuing one walk. Higgins, on the rubber for Silver Dollar, struck out five and passed three.

Beers and Carr carried the big sticks for Jennings, Beers getting two hits out of four trips to the plate and Carr hitting one out of two. Fasel's one for two led Silver Dollar.

**Ordnance Leads**  
Ordnance Shop batted around in the first inning, collecting five runs out of six hits and with three men dying on base, looking like a sure winner. In the sixth frame the Ordnance boys came apart at the seams and let Camp White gather eight runs off two walks, three hits and four errors. Hasey of Camp White got a

triple in the third inning with one on base.

For Camp White, Hasey hit one for two and Sneed got two for four. Spain hit three times out of four trips for Ordnance.

Nearly 200 people watched the opening games, with Medford high school band furnishing music.

Friday night, beginning at 7:45, Al Piche meets Junior Chamber and Littrell Parts plays State Guard.

## Sport Chips

The traditional football classic with Salem has been canceled for the coming season. According to the grapevine, Medford attempted to schedule the game with the Vikings and received a cold shoulder despite the fact that it has always been Salem's policy to play anyone in any sport.

In a recent column by Al Lightner, esteemed sports editor of the Oregon Statesman, he quoted a letter supposedly received from Medford Coach Al Simpson: "Thought you once said it was Salem policy to play anyone in any sport. We tried to schedule the Vikings for a game in Salem next fall but got the cold shoulder. Home come?"

Lightner's answer, as stated in the column, follows: "Can you blame them, Al, after seeing what you've got coming back from that state championship team? You might try slating Oregon State or Oregon, pal. They're looking for games."

Could it be that the mighty Vikings are out-and-out scared of Medford? They are booked to play Klamath Falls at the Pelican city September 28 and the powerful (at home) Pelicans did not shake in their boots when a Medford game was scheduled. It looks to this department that Salem has no intention of bucking up with a club as strong as Medford's promises to be if they can help it... and the best way they can help it is just stay as far away as possible.

While on the subject of football, method of play-off for the state championship is now a topic of discussion in various circles. As far as we can see, the Oregon High School Activities Association has "gone and done it again." Part of their plan for the play-off sounds good to us but just how is the rest to be worked out?

With the single exception of

district 3, there will be no play-offs and the teams will be selected on their seasonal performance. That's all well and good but here's the sticker as we see it: In case of ties the decision will be based on first downs and, if necessary, on yardage. Brother, that's going to be tough. Just as an example, what's to keep a school from fudging a little if it appears that a few first downs or a yard or two gained will keep them out of the championship picture?

We wrote some time ago to Tom Pigott, secretary of the OHSAA, requesting a copy of the football championship play-off rules as drawn up by the association, and an explanation, but failed to receive a reply. Until the association kicks through with an explanation of how their set-up is going to work, we can't see it.

## DUAL BILL TOPS WRESTLING CARD

Two top flight main events are on the docket for tomorrow night's Medford armory wrestling program, with a coin to be tossed to determine which match goes on last.

Kenny Ackles, Hollywood part-time picture player who gave "Gorgeous" George Wagner a licking last week, will face gorilla-like Antone Leone of New York in one half of the dual bill and Wagner will go after Georges Dusette, coast champion, in the other half.

**Wagner After Belt**  
Wagner recently left his Eugene turkey farm determined to return with either the coast light-heavyweight or junior-heavyweight diadem. Although his clash with Dusette will be a non-title affair, Wagner accepted the match knowing that if he can decisively whip the Canadian strong boy he can force him into a title shot.

Otis Clingman, with one win here added to his list of comeback victories, will collide with Paavo Katonen, former coast champion, in the three round opener which will take to the mat at 8:30 promptly.

# PLAYER SUBSIDY TO BRING HEAVY FINE TO SCHOOLS

Spokane, Wash., June 13—(U.P.) The Pacific Coast Conference Board of Athletic Control last night cracked down on subsidizing by member colleges by instituting a \$1,000 fine on any college caught at "recruiting" athletes in the future.

The board, composed of faculty representatives from each of the league's 10 West Coast colleges, made sweeping changes in the bulky Atherton code which governs the athletic destinies of the Pacific Coast conference.

Instead of penalizing subsidized athletes, the conference henceforth will punish its own member colleges by slapping on a \$1,000 fine "for all violations of conference rules."

This includes violation of the recruiting rules and "repeals the penalty of the ineligibility against a boy concerned... by the member schools or their representatives, except when the boy is himself a party of the violation."
