Other deals "in the air" include optioning of lots on South Riverside and Central south of Ninth street to an undisclosed buyer, investigation by a California college of a possible campus site in the valley and investigation of a California fruit dehydrating and freezing concern of local prospects for a plant.

The Rev. D. E. Millard is erecting "the Chapel of the Rocks and Roses" at the corner of South Oakdale and Eighth streets, just across from the courthouse. Native rocks and petrified woods are being used in the building, remodelled from two former dwellings. The minister has also supervised construction of a new fountain and bench on the courthouse lawn as a gift to the county.

Announcement has been made of a new scholarship fund of \$5,000 a year which Holmes brothers have made available for boys graduating from any 4-year-course high school in the county for study in some Oregon school. A local board of educators will select the winner.

Here's the Quick, Easy Way to Make Marvelous BERRY JAM

8 Cups Ground Berries (Any Variety)
8½ Cups Sugar
1 Package M.C.P. Pectin

Wash, stem, grind 3 quarts fully ripe berries, or crush completely a layer at a time so each berry is reduced to pulp. Measure exactly 8 level cups crushed berries (add water to fill out last cup, if necessary), into large kettle. Add M.C.P. Pectin, stir well and bring to a boil, stirring constantly. NOW, add sugar (previously measured), mix well and bring to full rolling boil. BOIL EXACTLY 4 minutes. Remove from fire, let boil subside, stir and skim by turns 5 minutes. Pour into sterilized jars, allowing ½-in. space for sealing with fresh paraffin. (NOTE: For Strawberry Jam, add ¼ cup lemon juice to each 8 cups crushed berries.)
