Tired Aching Tender Feet

Your feet may be so tender and inflamed that you think you can't go another step. Your shoes may feel as if they are cutting right into the flesh. You feel sick all over with the pain and torture; you'd give anything to get relief.

Two or three applications of Moone's Emerald Oil after a good hot foot bath and in fifteen minutes the pain and soreness disappears.

No matter how discouraged you have been, if you have not tried Emerald Oil then you have something to learn. Get a bottle today at any good drug store.
