

Shutouts Feature Play In Coast League Games

By United Press
Stellar pitching performances gave three veterans shutouts last night in the only Pacific Coast League games scheduled.

Hal Turpin, 39, whitewashed the San Diego Padres with two hits as the Seattle Rainiers chalked up a 5-0 triumph; Newt Kimball, 30, blanked San Francisco on six hits as Hollywood won, 8-0; and Guy Fletcher, 31, Sacramento, zeroed Portland with seven blows, 2-0.

It was the first time this year that the pitchers had shown such one-sided superiority, although in the past two weeks two one-hitters have been tossed. Generally, the sluggers have

been holding the edge. Fletcher's seven-hitter against the heavy-hitting and league-leading Portland Beavers was the outstanding mound job. Syd Cohen started for the Beavers but was lifted in favor of Federmeier in the eighth, the latter being credited with the loss.

The underdog Hollywood club broke out in a rash of base hits to count seven times in a big fourth inning on five successive singles, with the help of two errors, to clinch their game with San Francisco.

Farmer Hal Turpin's two-hitter against San Diego was his best stint of the year and brought him his seventh victory.

Scores:

Hollywood	8	8	0

JENNINGS PROVES TEAM TO BEAT IN SOFTBALL LEAGUE

Jennings Tire Shop definitely established themselves as the team to beat in the Medford softball league last night when they took definite command of top place with a 7-2 victory over Al Piche in the first game of the double header. In the other half, Silver Dollar Grill took advantage of Junior Chamber of Commerce's loss of their pitcher early in the game to bounce on the JayCees for a 10 to 6 triumph.

Ray Singler, who pitched one hit ball last week, was again stingy with the blows, allowing the Piche club only four and fanning nine. None were walked. Luman, Piche catcher, connected with a double in the fourth inning with none on and Howard, short stop, sent a round tripper over the center fielder's head in the seventh but again the sacks were empty. Carson got a triple for Jennings in the fifth inning with none on.

Brittson, on the rubber for Piche, gave up eight safeties to the slugging Tire Shop gang, walked four and struck out six.

Niles Injured

Niles, who started on the mound for the Jaycees, injured a leg in the second inning and was relieved. At the time the JayCees were leading but Silver Dollar batters found the range and blasted two other pitchers for 12 hits and 10 runs.

In the second inning, Beakins smashed out a triple with one on and Niles lined out a nice double with two ahead of him. In the fourth frame Silver Dollar started their barrage when Higgins walked. Crippen got a double with the bags loaded and the Grillmen batted around before the side could be retired.

Friday night's schedule pits Camp White against Littrell Parts and Ordnance Shop against State Guard.

Scores:

Jennings	7	8	2
Piche	2	4	6
Singler and Coghill; Brittson and Luman.			
Silver Dollar	10	12	5

MAYHEM SEEN ON WRESTLING CARD

Attempted mayhem will be in order at Medford armory tomorrow night when "Gorgeous" George Wagner and Antone Leone square off in the six round main event of the weekly wrestling program. Considerable bad blood exists between the two and ring bugs are expecting one of the wildest matches of the year. Lovers of scientific stuff will be without their favorite dish, however, for the hated pair stop at nothing to gain a fall.

Those who like their grappling the smooth way will get their fill in the four round semi-windup when "Sneeze" Achieu, the jiu-jitsu expert, and Otis Clingman square off for two out of three falls.

The operator pits rough house expert Jack (Buck) Lipscomb, the Hoosier Hot Shot, against popular Kenny Ackles in the three round opener, booked to start at 8:30.

CITE ASHLANDERS ON GAS VIOLATION

One operator showed an excess of 15,000 miles.

None of the A books which were held contained any valid coupons so the penalty, ranging from loss of two to four coupons which become valid Friday, will be placed in effect, the announcement said.

WALTONIANS HOLD MONTHLY MEETING

Prof. Irving Vining, former Oregon State Game commissioner, was the honored guest of the Izaak Walton League at the monthly meeting at Hotel Medford last night. He regaled the conservationists with the exciting story of old Reelfoot, the mammoth grizzly bear that ruled mountains and forests from the Klamath River to Pilot Rock district in pioneer days. Present Game Commissioner Kenneth Denman gave his monthly resume of the fish and game news of Oregon.

Numerous communications from other Oregon conservation clubs and Izaak Walton League chapters, active in stream protection campaigns, were read. Two reels of moving pictures were shown and a lunch was served after the meeting. Bill Lingaas won the attendance prize, a modern visible fly box with an assortment of two dozen flies donated by Lamports. Several new members were received in the organization.
